DEATH TOLL AND DAMAGES UP FOR AUTO CRASHES

Damage caused by auto accidents on county highways so far this year passed the quarter million dollar mark in October, according to the monthly recapitulation of reports made by the local sub-station of the state police.

Damage caused by the 296 auto accidents investigated by the officers during the first ten months of this year totals \$259,063 according to the reports.

The number of accidents, 296, was seven more than occurred during the same period in 1956. In that year 289 crashes had been investigated by the state police up to the end of October.

Death Toll Higher

More people have been killed during this year so far than during the comparable period a year ago, with 19 fatally injured in the current ten-month period compared to 15 during the same period a year ago.

The number of persons injured was the same, 224, for the first ten months of both 1957 and 1956.

October was a "bad month" accident-wise. The report shows the officers investigated 34 accidents last month, in which one person was killed, 34 were hurt and damage totaled \$22,240. During the preceding month, September, there were but 26 auto crashes to which the officers were called, in which one person was fatally injured, 19 were injured and damage was \$18,200. During October a year ago there were 31 crashes in which no one was killed, 12 were injured and damage was \$22,050.

Arrests Up Too

During October the officers made a total of 164 arrests on traffic violation charges, compared to 137 arrests on traffic charges in September, 152 in August and 149 in July.

The officers also conducted 20 investigations on criminal charges and made 12 arrests on such charges. They recovered two stolen cars valued at \$1,200 and recovered other property valued at \$40.

The police made 391 patrols during the month and conducted 16 state department investigations in addition to their other duties. They traveled 32,535 miles by car and spent 426 hours on criminal investigations, 1,830 hours on traffic work, 324 hours special investigations and 1,247 hours station duty.

COUNTY STEER WINS HONORS AT LANCASTER

Barry Breighner, Littlestown R. 1, won first place in the Hereford heavyweight class with his 1,180-pound steer at the Lancaster 4-H Baby Beef roundup.

Breighner's steer was sold Thursday at 28 1/2 cents a pound to the S and K company at the annual sale held in connection with the roundup.

His entry won the highest honors of any of the steers entered by county 4-H Baby Beef club members, although the top prize paid for an Adams County steer went to another animal.

Janet Hay Second

Janet Hay, Gettysburg R. 3, won second honors with her 1,110-pound Hereford in the light heavy classification. S and K paid 28 1/2 cents a pound for the animal, top prize paid for the Adams County steers.

Larry Bair, Littlestown R. 2, won fifth place in the Hereford heavy-weight class with his 1,265-pound steer which sold at 27 1/2 cents. Barbara Ann Hay, Gettysburg R. 3, took ninth place in that class with a 1,130-pound steer which sold at 28 1/2 cents.

Robert Hay, Gettysburg R. 3, won seventh place in the Hereford light heavy classification with a 1,120-pound entry which sold at 28 1/2 cents and Clarence Eyer Jr., Gettysburg R. 1, took 21st place with a 1,115-pound steer which sold at 27 1/2 cents.

203 Steers Compete

In the Hereford light medium weight class Spencer Stambaugh, Gardners R. 1, took 13th place with a 975-pound animal which sold at 27 1/2 cents a pound; Robert Spangler, Gettysburg R. 4, was 20th with a 980-pound steer which also sold at 27 1/2 cents.

Veterans' Day To Be Holiday For Some

Banks and court house offices will be closed Monday in observance of Veterans' Day and the Gettysburg post office will be on holiday schedule.

Assistant Postmaster Arthur Warman said there will not be any rural or city mail deliveries that day and no window service although the lobby will be open from 9 a.m. to 5 p.m. Special delivery mail will be handled and incoming and outgoing mails will be dispatched by a skeleton staff as on other holidays.

Schools generally will be in session with special programs and observances planned during the school day. The office of the county superintendent said only New Oxford schools have reported plans to observe a holiday.

STRABAN TWP. SUPERVISORS GET PETITIONS

When the Straban Twp. Board of Supervisors meets next Thursday evening, it will have before it two petitions bearing a total of 106 signatures asking the supervisors to bar the establishment of commercial dumps in the township.

The petitions already have been placed in the hands of the board secretary, Arthur Weaner, Gettysburg R. 4. The meeting on November 14 will be held at his residence.

Mr. Weaner said one of the petitions was presented to the supervisors first on last May 28 with 11 signatures. The supervisors then decided to defer action until they had consulted their attorney and asked Robert Ditchburn, who recently moved into a new home along the Hunterstown Rd. in Straban Twp. to hold the petition until the board secured more information on the matter.

Cite Objections

That petition now has been returned to the supervisors with 18 signatures while a similar paper, bearing 88 names, also has been turned in to the board.

The petitions declare that establishment of a dump in Straban Twp. would decrease real estate values, prove to be a source of stench, smoke and vermin, attract predatory wild life, endanger the peace, health and welfare of residents of the township and cause "innumerable and sundry inconveniences."

While the petitions do not make special mention of a landfill plan for disposing of garbage, Mr. Weaner said the petitions give the impression that the signers are against any type of public garbage dump anywhere in the township.

Ellis H. Rentzel is chairman of the board of supervisors in Straban.

HONOR GUARD TO MARCH

The Honor Guard of the Albert J. Lentz American Legion Post will meet Sunday afternoon at 1 o'clock at the post home on Baltimore St. to form for the Veterans' Day parade. All members are urged to be present, Commander John A. Guise said.

President Admits Russians Lead In Missiles, Special Weapons And In Satellites

By MARVIN L. ARROWSMITH
WASHINGTON (AP)—President Eisenhower says Russia quite likely leads America in some areas of missile development. He has appointed a scientist expeditor to the job of pushing this country ahead in this age of outer space weapons.

The President told the nation last night he is giving that big job to Dr. James R. Killian, 53, president of Massachusetts Institute of Technology. At the same time he said the Defense Department is strengthening the hand of its own missiles coordinator, William M. Holaday.

In a coast to coast television and radio address, Eisenhower said the Soviets not only are quite likely ahead in some missile and special weapons areas, but "are obviously ahead of us in satellite development."

Aware Of Danger

"We frankly recognize," he added, "that the Soviets are building up types of power that could, if we were attacked, damage us seriously. This is because no defensive system today can possibly be air-tight in preventing all breakthroughs of planes and weapons."

But on the reassuring side the President said this: "As of today the over-all military strength of the free world is distinctly greater than that of the Communist countries."

He went on to recount a nuclear superiority in which "we intend to stay ahead"; a family of 38 different kinds of missiles in operation or development; and such other U. S. strong points as atomic submarines, powerful air fleets, aircraft carriers and atomic depth bombs.

\$11,399 MORE SUBSCRIBED TO HOSPITAL DRIVE

The Warner Hospital building fund has been increased by \$11,399 during the first three days of the public campaign, it was announced Thursday night at the first report meeting of volunteer team workers. The meeting was held in the press room of the Hotel Gettysburg.

The fund total now is \$231,285. On Monday when the public campaign was opened, it was \$219,886, representing 92 subscriptions obtained by advance committees. The campaign objective is \$350,000, to be used toward construction of a new 25-bed addition to the hospital.

Presiding at Thursday's meeting were Mrs. John D. Teeter and Atty. John A. MacPhail, co-chairmen of the public campaign. Atty. Richard A. Brown, fund chairman, also spoke briefly, pointing out to the workers that "much hard work lies ahead."

Confident Of Success

"I'm confident we're going to achieve our objective, provided that all of the 500 men and women in the volunteer organization carry out their assignments," Mr. Brown said.

Highlight of the meeting was the announcement by Walter Dillon, administrator of the hospital, that hospital employees had contributed \$1,664 so far, with additional subscriptions expected from employees not yet approached.

First place team honors went to Team No. 614, captained by Mrs. Henry M. Scharf, with eight subscriptions totaling \$1,540, an average of \$192 per subscription. This also was the highest team average.

Among the divisions, Littlestown was first with 51 subscriptions totaling \$2,184. Miss Evelyn Alfio and Samuel Higginbotham are co-commanders of the division. Highest division average was \$133 per subscription, obtained by Gettysburg Women's Division 1, Mrs. Howard Hartzell commander. Total subscription in the public campaign numbered 225.

The invocation was offered by the Rev. Edwin P. Elliot, pastor of the Lower Marsh Creek Presbyterian Church, Fairfield Rd.

The next report meeting will be held Tuesday evening at 7:30 o'clock in the hotel press room.

The board of directors of the Adams County Free Library will meet this evening at the main library on E. High St. for their November session. President William C. Darrah will preside.

Week Of Prayer At YWCA Next Week

"God So Loved the World" will be the theme of the YWCA Week of Prayer which will open Sunday at the local YWCA building. A prayer group will meet at noon each day next week, Monday through Saturday, for a period of devotion and fellowship.

Leaders for the six days will be: Monday, Mrs. M. Hadwin Fischer; Tuesday, Miss Mary E. Dutera; Wednesday, Mrs. Grace Hartman; Thursday, Mrs. Guyon E. Buehler; Friday, Mrs. Harry Baker, and Saturday, Mrs. Frank H. Hartman. The public is invited to take part in the services.

The week's activities begin Sunday with the trip to the Washington cathedral for the World Fellowship service.

INVITE PARENTS TO SCHOOLS FOR EDUCATION WK.

As part of the local observance of National Education Week in the Gettysburg public schools, a general open house will be observed at the four elementary school buildings next Monday evening and a schedule has been set up on which parents may visit the grade schools while classes are in session next week.

The open house will be held from 7 to 8:30 p.m. next Monday with home room—mothers serving as hostesses in each room. They will be in charge of refreshments at Meade, Lincoln and High Street schools while the cafeteria staff will handle refreshments at Keefeauver school.

Parents are specially invited to visit grade schools on this schedule during afternoons next week from 1 to 1:35 o'clock; Monday, Grade One; Tuesday, Grade Two; Wednesday, Grade Three; Thursday, Grade Four, and Friday, Grades Five and Six and the special education group.

The School Education committee of the PTA will present a radio program on WGCT Tuesday evening at 7:15 o'clock which will consist of a panel discussion.

Another National Education event next week is the PSEA-PTA banquet at 6 o'clock Wednesday evening at Keefeauver school. PTA members are invited but must make reservations by Monday evening at the Keefeauver school office. Tickets are \$1.25 for the roast beef dinner.

Thursday will be marked as Teacher Recognition Day and there will be a radio program on WGCT at 7:15 p.m. sponsored by the local branch of the American Association of University Women.

Calling upon local residents to join in observance of Education Week, local PTA officials said that since 1920 one week in November of each year has been designated as Education Week and "during this week the schools of America invite parents and other interested persons to observe them in operation. The week affords the people of the United States an opportunity to review and evaluate the purposes and achievements of their schools; to consider educational problems and aims; and to formulate plans of action to assist in strengthening the school so they may serve the needs of the individual, the community, and the nation with ever increasing effectiveness."

To Aid Library

With the Jaycees adopting a program of aiding the Adams County Free Library, the group voted to hold its November 21 meeting at the library.

Following the business meeting there, Mrs. Oren Wilson, librarian, will conduct the Jaycees on a tour of the structure and explain the workings of the library.

Robert Pond reported progress on plans for the appearance of "Santa's Shanty" on Lincoln Square during the Christmas season.

2 Local Students In College Who's Who

Miss Margaret Long, Gettysburg R. 3, and Miss Carola Machetzki, 109 York St., have been elected along with 22 other Gettysburg College students to "Who's Who in American Colleges and Universities." These students are chosen on the basis of character, activities, contribution to the college and academic record.

Miss Long, a daughter of Mr. and Mrs. L. S. Long, is associate editor of the Gettysburgian. She is a history major and a member of Chi Omega and the Pi Delta Epsilon and Kappa Delta Epsilon honoraries.

Miss Machetzki, a foster daughter of the Rev. Dr. and Mrs. Paul L. Reaser, is a music major. Student Christian Association president, and a Dean's List student. She is a member of the 125th Anniversary committee and the Student Committee on Conduct and Activities, a Delta Gamma and a member of the college choir.

Officers Chosen

The following officers were re-elected for another year: Mrs. J. Leon Haines, Baltimore, president; Mrs. Harry L. Crist, Altoona, vice president; Mrs. Harry Swayer, Forest Heights, Md., recording secretary; Mrs. Page Schlichtnecht, Lancaster, statistical secretary, and Mrs. Robert Fortenbaugh, Gettysburg, registrar. New officers are Mrs. Milner Bowser, York, treasurer, and Mrs. Howard McCarney, Hanover, historian.

A dramatic sketch depicting the role played by women in Gettysburg College featured Thursday night's presentation in Christ Chapel. Narrators were Mrs. John S. Rice and Mrs. Austin Fellenbaum. Members of the Gettysburg sub-league and wives of faculty members appeared in period costumes representing the different age group when co-education was started at the college. Mrs. Cora Berkey of Gettysburg, first woman graduate, appeared during the sketch. She was presented a bouquet of flowers by President Willard S. Paul at the conclusion of the program.

Musical selections were presented during the evening by Miss Anne Holcombe, harpist, and George Boyer, organist.

A breakfast session this morning in Huber Hall concluded the two-day convention. The Rev. Howard McCarney, Hanover, was the speaker. Final reports were submitted by standing committees, officers and directors.

College League Adopts 3-Year Project To Raise \$50,000 For Student Union Bldg. Furnishings

A three-year project to raise \$50,000 for furnishings in a proposed student union building was adopted by the Woman's General League of Gettysburg College at Thursday afternoon's session in Christ Chapel. The project was recommended by the Resolutions committee of the two-day convention.

In other matters coming before the convention, a net gain of 470 in membership was reported. A new Golden Book of Anniversaries was created and adopted on recommendation of the Resolutions committee.

The league also voiced support for continuance of the Student Christian Association work to "strengthen the spiritual life on campus" and urged all of its members to promote prayers for peace.

Tornadoes Take 12 Lives In Three States; Trees Downed

ALEXANDRIA, La. (AP)—Late fall tornadoes lashed their twisting fury on three Gulf states today with 12 known dead in Louisiana, Mississippi and Texas.

The storms hit hardest at Alexandria, La., where three persons were killed last night in a 10-block residential section. A couple died at Carencro, La. Two men were killed near Crowley, La.

The Texas deaths included two at Groves and one at Orange. Bodies of Mr. and Mrs. John W. Parker were found some distance from their house after the twister ripped through Greenwood, Miss. Rescue teams probed debris at Alexandria. A policeman said the widespread destruction may hold several more bodies.

Trees Flattened

The Alexandria dead were identified as Mrs. Sam Giacinto, about 65; a Negro man named Silton Borsay; and a Negro girl, Dolores Harrison, 2.

The men killed near Crowley were identified as Homer Richard and Lessin Courville. The two dead at Carencro were identified as Mr. and Mrs. Ovey Melancon.

The Texas dead included Clay Zeringue, 82, and R. T. Smith, 70,

Issue Bench Warrants

Joseph McSherry, 43, Hanover, in jail since October 23 on a contempt charge for failure to keep payments current, was returned to jail until next Tuesday while the court makes a further investigation in the case.

A hearing on the surety of peace and non support charges against Charles I. Fowler, W. Middle St., began this morning and was resumed when court reconvened this afternoon.

In accordance with the new procedure in regard to detainees placed on persons who are prisoners for other crimes, bench warrants were handled during this morning against Doris Jane Henderson, Biglerville, on a burglary and larceny charge; Walter Henry Ickes Jr., Chambersburg; William Clayton Hollar, and John Chester Perry, both of Fayetteville R. 1, burglary and larceny; Robert Clinton Grove, Fayetteville R. 2; Francis William Daywalt, Waynesboro R. 1, and Richard Wagoner, South Mountain, robbery; and Richard Weaver, York, obtaining money under false pretense and forgery.

Charges Dropped

School Patrols Get Invitation To Rodeo

All school safety patrolmen in Adams County had an invitation today from George W. Miller, secretary-manager of the Gettysburg Motor Club to attend the opening performance of the World's Championship Rodeo in the Farm Show Arena at Harrisburg at 8 o'clock next Tuesday evening.

School safety patrol belts and badges will admit patrol members to the rodeo as guests of Annie Oakley, Gene Autry and Tommy Steiner Rodeo Productions. A special section of seats is being reserved for the school patrol members.

Mr. Miller's announcement was sponsored by the state Department of Agriculture, "it is permissible to use school buses for transportation." Mr. Miller said the invitation to the safety patrol members is extended "in recognition of the outstanding contributions that School Safety Patrols and Motor Clubs make toward public safety throughout Pennsylvania and the nation."

SEVEN SCOUTS GIVEN AWARDS

Seven members of Boy Scout Troop 78 received advancement awards Thursday night at a court of awards held by the troop at the former CCC camp on W. Confederate Ave.

Neighborhood Commissioner Charles Holtz made the presentations to the scouts at the parents' night program.

Michael Codori received fireman's merit badge. Second class badges were presented to Wayne Smith and James Rohanna. Tenderfoot badges went to new members James Adair, James Redding, Glibby Sneringer and Thomas McDermitt.

The "Blackfoot Indian Dancers," Michael Codori, Fred Bollinger, Chippy Crane and Norman Plank, presented an Indian Dance.

Thirty-five attended the program. The refreshment committee included Richard Codori, James Sneringer, Dr. Joseph H. Riley and Charles Holtz, all members of the troop committee.

support order against Lester M. Emory, York.

The court directed dropping of the following charges on presentation of nolle prosequi petitions from the district attorney: Delma M. Kildwell, Gettysburg R. 4, larceny; Julia Fetrow, Harrisburg, furnishing intoxicating beverages to a minor, contributing to the delinquency of a minor and public indecency; Ina V. Duncan, 513 Baltimore St., removing furniture under levy. In the first two cases costs were placed on the county; in the last, the costs were placed on the prosecutor, Thomas J. Rademaker.

Approval was given to an amendment of the first and final account of Ruth A. Ortmyer, administratrix in the estate of Peter W. LaRue, to permit distribution of an additional \$235 to the nine heirs. The amount represented a sum which originally had been counted as a debt, but was found to have been paid by insurance.

Actions On Estates

Approval was given to the distribution of a trust fund established by Leah E. Phillips, late of East Berlin, to Russell A. Phillips, upon his arriving at age 21 as provided by her will. The amount was \$1,092.30. The Gettysburg National Bank was executor of the trust fund.

Approval was given for settlement of the "less than \$1,500" estate of Clarence C. Warren, late of Menallen Twp. According to the petition, the only asset was a one-eighth interest in a property owned by the heirs.

The Warner Hospital will receive \$196.33 and the Hoffman Orphanage \$196.32 from the \$551.88 estate of Adams B. Bennett, late of Hamilton Twp., according to the account of the First National Bank of Gettysburg, executor, approved by the court this morning.

Other accounts approved and the amounts for distribution follow:

Ethel deNemeth, administratrix of the estate of Zoltan deNemeth, late of York Springs, \$4,641.67; Alston Peters, executor of the will of J. W. Peters, late of York Springs, \$1,542.89; Paul J. and Robert J. Eline, administrators of the estate of George E. Eline, late of McSherrystown, \$4,538.34; Early Henry Weaver, executor of the will of Claude Edgar Weaver, late of McSherrystown, \$3,476.01; Gettysburg National Bank and Grace Spangler, co-executors of the estate of Bessie M. Spangler, late of Gettysburg, \$5,010.78.

MARKET DECLINES

NEW YORK (AP)—Aircrafts and rocket fuel shares were lower as the stock market declined early today.

Key stocks were off from fractions to around 2 points. Profits were taken in a number of the stocks representing high-energy fuels which rose dramatically yesterday. Wall Street sources said that the import of President Eisenhower's speech was anticipated to some extent and that the absence of an indication of bigger spending for defense was disappointing.

NEW YORK EGGS

NEW YORK (AP)—(USDA)—Wholesale egg selling prices were steady to firm today. Receipts 15,700. Nearby whites: Top quality (48-50 lbs) 56-60; mediums 42½-44½; smalls 38½-37½; peewees 25-26. Browns: Top quality (48-50 lbs) 56-57½; mediums 44-45; smalls 37-38; peewees 25-26.

WASHINGTON (AP)—The government reported today an unprecedented 2,700,000 workers lost working time in October due to illness.

The monthly combined employment report of the Commerce and Labor departments showed a slight increase of 300,000 jobs in October to a total of 66 million.

Nearly all the change represented a recovery in the farm work force from September's unusually low level which resulted from bad weather. Nonfarm employment remained virtually unchanged, instead of showing a customary fall pickup.

Ingrid Bergman Will Go To London With Her Children

ROME (AP) — Ingrid Bergman packed today to leave this ancient city where she once found happiness.

With her 7½-year marriage to Roberto Rossellini broken up, the beautiful Swedish actress planned to leave Sunday for London with her three children by the Italian film director.

Rossellini was already gone, reported en route by car to Paris.

Friends professed not to know whether Miss Bergman would return to live, or whether the legal separation the couple obtained yesterday would be followed by a divorce.

Married By Proxy

A divorce would have to be obtained in another country, since Italian law's only provision for dissolving a marriage is an annulment granted by the Roman Catholic Church. Miss Bergman, now 42, and Rossellini, 51, were married by proxy in Mexico on May 24, 1950, after she received a Mexican divorce from her first husband, Dr. Peter Lindstrom.

Eroale Graziadei, the Rome attorney who arranged for the separation, said he had received no instructions to initiate divorce proceedings.

Graziadei was called to Paris to make arrangements for the separation soon after the couple was reunited in the French capital. Miss Bergman was playing there in the stage play "Tea and Sympathy." Rossellini had been absent in India for almost a year making documentary films for the Indian government. During that period his name was linked with a pretty Indian script writer, Sonali Das Gupta, who preceded Rossellini to Europe and was last reported in Paris.

Coming To States

Miss Bergman said her children by Rossellini—Robertino, 7, who was born a week before his mother got her divorce from Lindstrom, and the 5-year-old twin girls, Isabella and Isotta Ingrid—would accompany her to London where she will work on a new motion picture.

Miss Bergman is scheduled to go to Hollywood in February to work in another movie for 20th Century-Fox.

Miss Bergman has an 18-year-old daughter, Jenny Ann, by her

SEE BREAK IN DEADLOCK OVER DISARMAMENT

UNITED NATIONS, N.Y. (AP) — Hopes rose today for a break in the disarmament deadlock. Russia and the West reportedly took a second—and more favorable—look at India's compromise plan aimed at reviving the stalled arms talks.

Both sides conferred with Indian delegate V. K. Krishna Menon. Menon wants to almost double the size of the Disarmament Commission to try to get Russia to drop her threat to boycott the 12-nation body and its five-nation subcommittee.

Both Russia and the West brushed off India's plan two days ago. Informed sources said the Western powers, bolstered by the strong U.N. endorsement Wednesday for their call for new disarmament talks, now felt the Indian proposal might serve as a test of whether Russia really wants to negotiate.

Russia apparently saw the plan as a face-saving way to retreat from her boycott threat and satisfy her demand that the disarmament machinery be expanded. The U.N. Political Committee defeated her proposal that all 82 U.N. members be included in the arms talks.

An Indian source said Soviet Deputy Foreign Minister V. V. Muznetsov indicated he was receptive to Menon's plan to enlarge the commission by some 10 members, including representatives of Eastern and Western Europe, Asia, Africa and Latin America.

Presumably the new commission would decide on the enlargement of its own subcommittee, which has carried the brunt of the arms negotiations. Russia's main complaint has been that the subcommittee was stacked 4-1 against her. The United States, Britain, France and Canada are the other members.

"MY HEART YEARS"

This heart of mine yearns to be loved . . . by someone warm and tender . . . a girl who with a single kiss . . . could make my heart surrender . . . I need someone to cling to . . . when life seems cold and gray . . . who by a word or gentle smile . . . could drive my cares away . . . I seek not beauty, far beyond . . . the scope of worldly dreams . . . just a sincere someone . . . to fit in with my schemes . . . and yet I often wonder if . . . I'm reaching for the moon . . . so many are the discords . . . in life's melodic tune . . . still I will go on searching . . . the roads that bend and wind . . . with faith and hope and fervent prayer . . . one day I know I'll find.

SAY SPUTNIK II HAS "ADVANCE GUARD" TODAY

By DON GUY

CAMBRIDGE, Mass. (AP) — A Smithsonian scientist reported sighting a faint object about 10 to 15 seconds ahead of Sputnik II this morning.

Dr. John S. Rinehart, assistant director of the Smithsonian Astrophysical Observatory, said he saw an object resembling a faint star moving in advance of the much more brilliant satellite-rocket.

Dr. Rinehart said he saw both objects low in the western sky disappearing to the north.

Sputnik II was sighted by a Moonwatch team on the roof of the Harvard Observatory as well as by other viewers in the east. It appeared low in the west.

50 Miles In Front

No speculation was immediately available on the question—whether a mechanism set to return a chamber carrying the dog, Laika, back to earth might have gone wrong.

Such a mechanism might have been designed to eject the dog's chamber in a direction opposite to satellite's flight and thus slow it down for a return to earth. On the other hand, if tumbling motion of the rocket caused such a portion of the rocket to be thrust forward, it would become a satellite itself—traveling even faster than Sputnik II.

It was estimated here that the faint object sighted ahead of Sputnik II this morning might be 50 to 75 miles ahead of the rocket satellite.

Ike May Not Get Georgia Vacation

WASHINGTON (AP)—The White House said today there is nothing on the calendar at this time to indicate that President Eisenhower may get away soon for a vacation at Augusta, Ga.

Mrs. Anne Wheaten, acting White House press secretary, said this in response to questions about reports Eisenhower will be leaving soon for a five-day respite from his duties.

He has made it a practice to go to Augusta nearly every year around Thanksgiving for a week or so of golf and relaxation. But the President himself told his most recent news conference it was beginning to look as if he might not be able to make it this year because of a crush of business.

Guard Recruiting Reopens In Penna.

HARRISBURG (AP)—Recruiting reopened today in the Pennsylvania National Guard after a three-month layoff.

Adj. Gen. A. J. Drexel Biddle Jr. said the strength of PNG units have now fallen under the manpower ceilings imposed last August with new vacancies available.

For example the 28th Infantry Division has about 300 vacancies. It had to reduce its strength from 9,700 to a ceiling of 9,358 imposed by budget restrictions.

Maj. Gen. Henry Fluck, division commander, said the 28th loses 30 to 40 men a week by resignations. The three-month lapse in recruiting has reduced the size of the division to somewhat more than 9,000 officers and men.

ADVERTISE IN THE TIMES

Hospital Fact

Bone marrow, the birthplace of blood cells, sometimes holds the secret of faulty blood formation. When marrow cells are needed to test for certain diseases of the

blood, the surgeon's knife is no longer required.

A hollow needle within a hollow needle does the job gently at Warner Hospital. The first needle, with a stylette to keep the tube from filling, penetrates to the sternum—the large flat bone in the front of the chest. Then the stylette is replaced by a second needle, whose saw-toothed end makes a tiny cut for aspirating sample cells.

William H. Myers Is Buried Today

Funeral services for William H. Myers, 81, Westminister R. 1, who died Tuesday evening at the Hanover Hospital, were held this afternoon at 2 o'clock at the Fuss Funeral Home, Taneytown, conducted by the Rev. Edmund P. Welker. Interment in the Pleasant Valley Cemetery.

The pallbearers were Aaron Putman, Charles Formwalt, John T. Johnson, James Corbin, Leroy Myers and Daniel Bair.

Heavy snow warnings were forecast in northeast Minnesota, with falls of from 3 to 6 inches. Windy, wet and colder weather was the outlook for most of the north central region.

Scattered showers and thunderstorms and mild temperatures were indicated from Georgia to the Carolinas northward to New England.

ROGERS SWORN IN

WASHINGTON (AP)—William P. Rogers was sworn in today as attorney general of the United States, with Chief Justice Warren administering the oath and President Eisenhower looking on.

The ceremony took place in the White House conference room. Thrusting out a hand to his new Cabinet member, Eisenhower remarked with a smile: "Now you get your diploma."

2 KLANSMEN GET 20 YEARS

BIRMINGHAM, Ala. (AP)—Two Ku Klux Klan members have been convicted of mutilating a Negro man, and sentenced to 20 years imprisonment each, the maximum punishment provided in Alabama. Bart A. Floyd, 31, was convicted and sentenced yesterday.

Joe P. Pritchett, also 31, was convicted last week.

Both were sentenced by Circuit Court Judge Alta L. King, who called the crime "cowardly, atrocious and diabolical." They both appealed and bond was set at \$20,000 each.

The two men were convicted of mayhem in the castration of Judge Edward Aaron, 34-year-old Negro handyman. Four other klansmen face similar charges in trials set for Dec. 2.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times
FIFTEEN YEARS AGO

"Chic" Myers Is Constable:
Charles J. "Chic" Myers, Chambersburg Street, was appointed constable in the second ward by Judge W. C. Sheely in court here Saturday. The Myers appointment was made on petition of 10 residents who asked that he be named to serve out the unexpired term of the late Park Noel who was elected in 1939 for a four-year term.

Hotel Night Clerk Resigns Position:
Stanley F. Paluskevich, night clerk at the Hotel Gettysburg, has resigned his position to enter the news agency business in Dundalk, a suburb of Baltimore. Mr. Paluskevich recently purchased the news agency business and took possession over the weekend.

Four Teachers Are Elected:
Election of four new teachers in rural school districts in Adams county over the week-end were announced today by the office of the county superintendent of schools.

Danner A. Peters, Gardner R. D., has been named as the new teacher at Locust Grove school in Menallen township to take the place of A. L. Slaybaugh who has accepted an elementary school principalship in Delaware City, Delaware.

Mrs. William Cowan, Huntingtown township, takes the place of Clyde Kennedy at Whitcomb's View School in Huntingtown township. Kennedy has been drafted into the Army.

Mrs. Mabel Diviney, Hanover, fills the vacancy caused by the resignation of Mrs. Evelyn W. Bucher, Littlestown, at Felt's school in Union township.

Mrs. Grace Noel, Littlestown, has resigned as teacher at State Ridge School in Germany township to accept a teaching position in Penn Township, York County. A Mrs. Hawk of Hanover has been elected to the State Ridge school.

Edward B. Bulleit Made A Lieutenant:
Edward B. Bulleit, son of Attorney and Mrs. Edward V. Bulleit, College Avenue, has been commissioned a second lieutenant in the United States Army Air Corps. Lt. Bulleit was graduated from the officers' training school at Miami Beach, Florida, last Wednesday in a class of 2,500 men which included Clark Gable, former movie star.

Announce Service For Soldier Dead and Living December 6:
A patriotic memorial service of tribute to the men and women from Gettysburg and Adams county who are serving in the armed forces of their country and for those who have made the supreme sacrifice during the first year of the war will be held in the Majestic Theater Sunday evening, December 1, at 8:30 o'clock.

A Protestant clergyman, Catholic priest and a Jewish rabbi will deliver brief eulogies and the Gettysburg College choir, under the direction of Parker Wagnild, will furnish the music.

While the service will be in the nature of a memorial, it will be patriotic in tone and inspirational. It will commemorate the first anniversary of the entrance of the United States into the war; pay tribute to all the men and women from Adams county in the services, commemorate the memory of those Adams countians who have made the supreme sacrifice and also pay tribute to the memory of all the Allied Soldiers who gave their lives, are missing, or prisoners of war during the first year's engagement.

They Keep 'Em Straight: They "vote 'em straight" in the second district of Hamilton township. On Tuesday 42 voters went to the polls in that mountainous precinct in southwestern Adams county. There were no "cut tickets." Every democratic candidate on the ballot received 32 votes and every republican 10 votes.

Today's Talk

HABIT

We are constructed and live in a caged mass of habits. We form the habit of eating certain things, doing the same things, day after day, and think nothing of the fact that we keep repeating ourselves. We are creatures of habit, some good and some bad.

One of the greatest books ever written is that one by William James, the famous psychologist, called "Habit." I have read it time and again. It is one of the most inspiring essays ever put into print. He said that all of us should do something each day that we would rather not do, just as a matter of discipline.

Said James: "Could the young but realize how soon they will become mere walking bundles of habits, they would give more heed to their conduct while in the plastic state." And again he said: "Let no youth have any anxiety about the upshot of his education, whatever the line of it may be. If he keeps faithfully busy each hour of the working day, he may safely leave the final result to himself."

James wrote many other wise suggestions. He said that in breaking a bad habit it should be replaced with a good habit — and that no exceptions should be made, and no tapering off — but make that the end of the habit wishing to be broken. It takes a will — and a desire to end the bad habit, but it can be done, as thousands have demonstrated.

Good habits are what makes us the most useful and the most happy. It is amazing how good habits are respected by this mind and body of ours. They are so essential to our happy way of life. They pay the most in satisfaction and the rounding out of a good life. The habit of cheerfulness, kindness and patience under difficulties should be the objective of all.

Tomorrow Mr. Adams will talk on the subject: "Sustaining Thoughts."

Just Folks

WHAT I WANT
I do not care for hoarded gold.
Nor do I crave a hero's name.
Nor do I wish to be enrolled
As one acquiring sudden fame.
I only wish that I might hold
A ticket to the football game.

I do not care for vast estate,
For landed wealth. That's not my aim.
I would not be accounted great
Or hear the public's loud acclaim.
I simply want to have, I state,
A ticket for the football game.

And that is why I stand in line:
Yes, that is why I early came
And shiver like a dying vine.
With goose-flesh up and down my frame,
With chills beleaguering my spine,
I want to see that football game.

British Chase Rommel's Broken African Armies: By the Associated Press (November 5) The worst Axis defeat of the war was shaping on the sands of north Africa today.

With the British in swift pursuit, Nazi Field Marshal Erwin Rommel's broken armies were reported fleeing westward across the Egyptian desert amid wild confusion and early unofficial estimates place Axis losses at 40,000 troops killed, wounded or captured.

Two Local Women Get League Offices: Mrs. Joseph B. Baaker, York, formerly of Gettysburg, was re-elected to the presidency of the Woman's League of Gettysburg College on Thursday afternoon and Friday morning was installed for another year.

Mrs. Frederick K. Schwartz, president of the Gettysburg branch of the league, was elected historian of the general league and Mrs. Thomas L. Cline, also of Gettysburg, was chosen as the league registrar.

GRAND BALL IN KREMLIN ENDS RUSSIAN PARTY

MOSCOW (AP)—Thousands of Moscow residents danced in the streets until early today while more than 3,000 Communist leaders wound up the Nov. 7 anniversary program with a grand ball in the Kremlin.

While Soviet citizens enjoyed street festivities as part of their two-day holiday commemorating the Bolshevik Revolution 40 years ago, Nikita Khrushchev danced and sang revolutionary songs at the ball in St. George's Palace.

The Soviet Communist party boss was in high good humor, swinging an unidentified Russian woman through a dance and joining a spontaneous songfest.

With Premier Nikolai Bulganin and President Kliment Y. Voroshilov, Khrushchev made a hand-shaking tour through the crowd that jammed reception rooms to consume great heaps of caviar and plenty of vodka and champagne.

Voroshilov welcomed Red China boss Mao Tse-tung and Poland's Wladyslaw Gomulka with a short speech. He praised Soviet scientists, saying they were men of peace rather than of war.

One of the most active hand-shakers at the party was Britain's "Red Dean" of Canterbury, the Very Rev. Hewlett Johnson, the Anglican churchman in one of the West's best-known fellow travelers.

Another guest was A. N. Tupolev, the top Soviet aircraft designer whose new turboprop airliner—the TU114—was announced Sunday with claims that it is the world's largest passenger aircraft with engines twice as powerful as those on similar types in the West.

Western observers had expected to see the TU114 in yesterday's display of Soviet might but cloudy weather prevented the aerial display.

Tupolev was asked if the liner is really ready. "Certainly," he replied. When we announce something, it's ready."

40-Hour Services Begin 8 A.M. Sunday

The annual forty hours devotion will be held in St. Ignatius Catholic church in Buchanan Valley beginning Sunday morning at 8 o'clock. A second mass will follow at 10 o'clock.

Masses Monday and Tuesday morning will be at 5:30 and 7 o'clock. Evening services Sunday, Monday and Tuesday will be at 7:30 o'clock. The closing procession in which many priests from nearby parishes will participate will take place Tuesday evening.

Very Rev. Thomas H. Sullivan, O.P., supervisor of the Dominican Mission Band, Philadelphia, will deliver the sermons.

Says Democrats Use Pa. Payroll To Win

PITTSBURGH (AP)—James F. Malone, president of the Pennsylvania Manufacturers Assn. and former district attorney of Allegheny County, claims that Democrats are using their state payroll to win local elections.

"They (the Democrats) have an organization now," Malone said yesterday in a speech at a meeting of the Council of Republican Women. "They have added at least 15,000 jobs to the state payroll. They have 395 jobs in the City of Lancaster."

Malone added that "Republicans still retain a registration majority in the state but that means nothing anymore."

"The Republicans," he said, "should have eliminated the phony civil service and named loyal Republicans when they had control of Congress."

YOUNG DEMS TO FIGHT OVER RED CHINA IN U. N.

RENO (AP)—The Young Democrats' national convention plunged today sharply worded controversy over advocating admission of Red China to the United Nations.

Opponents declared they would carry their fight to the convention floor to override the qualified expression recommended by the resolutions committee, 13 to 8.

James T. Heavey of San Francisco, leading the fight for committee adoption last night, termed the present American policy unrealistic. He said there has been considerable pressure from businessmen in San Francisco, Los Angeles and Seattle to open trade with Red China.

Paul M. Nussbaum of West Hyattsville, Md., opposed the resolution as "a cheap political stunt that will only degrade United States leadership in the United Nations."

"Leadership—Not Slogans"
Democratic National Chairman Paul M. Butler told the group that last Tuesday's elections showed the voters want "leadership—not slogans."

Butler said the election results showed President Eisenhower and Vice President Nixon have lost political influence.

Butler accused the Eisenhower administration of "smug complacency" in facing the challenges of abundance, technological progress, and new scientific discoveries.

"This was never so clearly—and frighteningly—revealed as in the Sputnik project," he said in a speech prepared for the convention.

Butler said New Jersey citizens, in re-electing Democratic Gov. Robert B. Meyner last Tuesday, voted for what Butler called the "aggressive leadership and positive program" of Meyner. The voters there showed no sympathy for Eisenhower and his personal plea to elect Republican Malcolm Forbes, Butler said.

TWO LINEMEN MAY REPEAT AS ALL-AMERICA

By TED SMITS

NEW YORK (AP)—Alex Karras of Iowa, first team All-America from 1956, and Lou Michaels of Kentucky, on last year's second team, lead the strong crop of current line candidates in the opinion of AP's All-America boards.

Both are tackles. Karras plays for the nation's fifth ranked team, but Michaels has shone despite the fact Kentucky has won only one out of seven games.

Other linemen who received top recommendations from the 12 regional boards are James Gibbons of Iowa and Sam Williams of Michigan State, from the Big Ten; both ends; Jimmy Phillips of Auburn, also an end; Charles Krueger, Texas A&M, tackle who was on the 1956 third All-America; Bill Krisher, Oklahoma guard; Jim Brackens, Oregon State guard; and Joe Palerino, Dartmouth, guard.

To Be Announced Dec. 5

The Associated Press All-America, based on the recommendations of the regional boards made up of sports writers and sportscasters, will be announced Dec. 5 and will take into account all regular season games. Present appraisals may be revised in the four big remaining college football week-ends.

Others given high ranking in the current listings include Dan Currie, Michigan State center; Aurelius H. Thomas of Ohio State and Allen Ecuver of Notre Dame, both guards; Don Stephenson of Georgia Tech, center; Clyde Lettetter, Baylor guard; John Tracey, Texas A&M end; Charles Rash, Missouri guard; Bob Harrison, Oklahoma center; Dick Wallen, UCLA end; George Boss, Utah end; Chuck Howley, West Virginia guard; Roy Hord, Duke guard; and Stan Renning, Montana guard.

PITTSBURGH (AP)—Leo Wertgame, president of the National Federation of Temple Brotherhoods, has praised Pope Pius XII for his concern over Israel.

At the same time, Wertgame appealed to the Pope for close cooperation of Roman Catholic priests and prelates with leaders of other faiths in America.

ering Killian, who has a record of government service, to prevent needless delays, to crack down against any interservice rivalry, and to give high priority to hush-hush programs which the President merely hinted at.

Among Congress members, Republicans generally praised the President's talk. Reaction by Democrats included a comment by Sen. Kennedy (D-Mass.) that all the steps proposed by the President "are important steps and will receive the full support from all members of the Democratic party," though he said "they should have been done before two Sputniks were fired."

Wants Best Talent

At Cambridge, Mass., Killian said he intends to move as rapidly as possible "to marshal the best scientific and engineering judgment and creative talent in the United States and make it available to the President for the formulation of national policy which involves science and technology."

Eisenhower, in announcing selection of Killian, left it far from clear whether the new man will be what amounts to czar in the missile field.

Eisenhower talked of Killian's job after relating some of America's progress in the missile field and after saying the country's national security posture at present is one of great strength.

"Our nation has today, and has had for some years, enough power in its strategic retaliatory forces to bring near annihilation to the war-making capabilities of any country," Eisenhower said.

Solve Big Problem

In speaking of U.S. progress in missile development, Eisenhower at one point called his TV audience's attention to a missile nose cone nearly three feet high.

"One difficult obstacle on the way to producing a useful long range missile is that of bringing a missile back from outer space without its burning up like a meteor, because of friction with the earth's atmosphere," Eisenhower said.

"Our scientists and engineers have solved that problem. This object here in my office is an experimental missile—a nose cone. It has been hundreds of miles to outer space and back. Here it is, completely unharmed—intact."

In connection with his appointment of Killian, Eisenhower said one requirement on which immediate action can be taken is "greater concentration of effort and improved arrangements within the government in the fields of science, technology and missiles."

No Unnecessary Delay

The goal, he went on, is "to make it possible for me, personally, wherever there appears to be any unnecessary delay in our development system, to act promptly and decisively."

As for demands in some quarters for an increase in defense spending, Eisenhower made it clear he feels that would provide no quick cure.

"It misses the whole point," he said, "to say that we must now increase our expenditures of all kinds on military hardware and defense—as, for example, to heed demands recently made that we restore all personnel cuts made in

Orrtanna

ORRTANNA — The Rev. Roger Burtner, who has been confined to his home by illness, is reported improved. Ira K. Naugle, teacher of the Young Adults Class of the Mt. Carmel EUB Sunday School, was in charge of the worship service last Sunday in the absence of the pastor, Rev. Burtner.

Mr. and Mrs. Clarence Zeger, Chambersburg, visited Sunday with their son-in-law and daughter, Mr. and Mrs. Ira K. Naugle.

Mr. and Mrs. Kermit Wetzel, Solley, Md., visited the former's parents, Mr. and Mrs. Luther Wetzel, Thursday.

Those perfect in attendance at the Orrtanna Primary School during October were Daniel McDannell, Gregory Monn, Carla Sue Mummert, Roger Naugle, Kenneth McDannell, Joyce Monn, Lois Graff, Helen Naugle and Susan Robert. Miss Sara Miller is the teacher.

Those perfect in attendance at the Orrtanna Grammar School were: Edward Graff, Shirley Naugle, William Shiner, Sandra Spence, John Naugle, Louise Graff, Julia Guynn and Nancy Naugle. The teacher is Miss Gladys Walter.

Mrs. Carl Johnson, Eastlong Meadow, Mass., is visiting at the home of her parents, Mr. and Mrs. E. J. Naugle, and other relatives.

Mrs. Charles Shindedecker resumed work at the Knouse Foods Cannery here after an illness of 10 days.

Need Peace Move

"Certainly we need to feel a high sense of urgency. But this does not mean that we should mount our charger and try to ride off in all directions at once."

At another point the President said solemnly: "What the world needs today even more than a giant step into outer space, is a giant step toward peace."

Eisenhower said his scientific friends advise him "one of our greatest and most glaring deficiencies is the failure of us in this country to give enough high priority to scientific education and the place of science in our national life."

The scientists believe a second critical need is to give higher priority, both public and private, to basic research, Eisenhower said.

He announced he intends to talk further regarding those two requirements next week. He will make another nationwide TV-radio address from Oklahoma City next Wednesday evening.

BROKEN MAINS CAUSE SNARLS IN NEW YORK

NEW YORK (AP)—Bustling Manhattan, one of the busiest places on earth, was thrown into a snarl of confusion last night and today by a flood—from broken water mains.

The huge conduits snarled at five different places. Subways were closed. Midtown basements were flooded. Water supplies were disrupted.

Water gushed down streets, ripping up pavement and cascading into subway tunnels.

The Metropolitan Opera House was marooned by streets full of water. Scenery trucks were used to transport patrons, artists, orchestra members and others to dry land.

Protect Crowds

At nearby Times Square, theater crowds gathered on the fringes of the flood. Police had to divert much manpower to the task of keeping the crowds clear of danger and from blocking access of emergency vehicles.

Police had to push stalled cars out of the torrent.

Stravolo, Knight To Miss Game At Scranton Saturday Night; Squad Leaves Today

Gene Haas and his Gettysburg College Bullets, currently fourth in the East small college football ratings, take to the road for the final time this season when they meet the University of Scranton Saturday evening at 8 o'clock in Scranton Memorial Stadium which has a seating capacity of 15,000.

The Bullets, 5-1, will be without the service of two of their regulars, Dick Stravolo, quarterback, is definitely out of the game due to a back injury while Chet Knight, end, will also miss the contest because of his knee injury.

Quarterbacking will fall to Neil Hickoff and Ed Books. During the past week the Bullet staff worked Earl Yost, halfback, at the quarterback slot to be ready in the event he is needed. If Yost goes to quarterback, Dick Ford and Jim Flood will spell him at his halfback position.

Except for a few other minor injuries — Arlo Olsen with a hip injury and Don Halley with a slight back injury — the squad is in good condition.

Tommies Light, Fast
Scranton has a comparatively light and fast team which has compiled a 2-3 record. The Tommies defeated Albright 20-0 and Kings 34-0. Losses have been at the hands of St. Vincent's 28-7, Muhlenberg 6-0, and unbeaten Hofstra 25-12.

Coach Pete Carlesimo, in his 14th season as coach, has 12 lettersmen, but expects to start no less than five sophomores who have shown fine ability. On the lone Leo Broadhurst, 188, center; Gus Graziano, 230, and John Devitt, 200, tackles, and John Herring, 183, end, and top pass receiver, are all sophoms. Ed Zelinski, 170, another sophomore, is expected to start at quarterback.

Steady improvement has been shown by the young Scranton team during the season and the Tommies are hopeful of surprising the Bullets. Last year the Bullets breezed to an easy 32-0 victory here.

Squad Leaves Today
The Bullet squad worked out this afternoon after which the squad was to leave at 5 o'clock for Scranton. They will return here Sunday afternoon about 1 o'clock.

WGCT will broadcast the game beginning Saturday evening at 8 o'clock.

DELONE FROSH DEFEAT OWLS

The Delone High School varsity, in action for the first time since September 26, downed Westminster 14-6 on the Owl's gridiron Thursday afternoon. It was the second win for the Squires in as many games, the previous victory being over the same team at McSherrystown 27-13.

Cyril Hockensmith accounted for both Delone scores on runs of 45 and 37 yards in the first and third quarters, respectively. "Chick" Livelsberger added the first extra point and Dan Topper the second, both on rushing.

Westminster gained its only score in the first period on a 47-yard pass play, Gene Hill to Stanley Haines.

Delone hosts Hanover Monday afternoon at 3:30.

The lineups:

Delone
Ends — G. Gastley, O'Brien, R. Gastley.
Tackles — Chrismer, Miller, Staub.
Guards — Smith, Hawn, Lough, Klunk.
Center — Groff.
Backs — Hockensmith, Livelsberger, Topper, Sponseller, Fogarty, Pet-rany, Yealy.

MOORE FAVORED TO BEAT CATERO

WASHINGTON (AP) — Davey Moore, a rugged halfpint from Springfield, Ohio, is a 9-5 favorite to beat Jose Coterio of Los Angeles in their 10-round feather-weight bout at Capitol Arena to-night.

Moore, who has climbed quickly in the 128-pound ratings, earned the favorite role with an all-winning performance this year. He has captured four decisions, while Coterio has lost two of his four fights.

Davey's bout with the more experienced Coterio may be viewed over the usual Friday night TV-radio fight network (NBC, 10 p.m. EST).

Neither battler has ever been knocked out and each has finished off an even dozen opponents. Since starting out as a pro, Moore has won 26, lost 5 and had 1 draw. Coterio, who has been punching for pay a year longer, lists 33 victories against 12 defeats and 5 draws.

Crucial Games On Program Tonight; Carlisle Here

Tonight at 8 o'clock the Gettysburg High Warriors take on one of their most difficult assignments here when they are host to Carlisle, defending South Penn champions and 3-0 in the 1957 race.

Although the Thundering Herl is a heavy favorite, the Warriors are hopeful of springing a surprise. The season's largest crowd is expected.

Another overflow will watch the Bigville-Littlestown battle at Littlestown in a crucial Laurel Conference game. The Cannons can clinch the title with a victory while a Littlestown triumph, plus another at Susquehannock next Wednesday, would give the Bolts the honors. Several Littlestown players are reported to have been ill this week.

Delone will attempt to rebound from its defeat last week against Bishop McDevitt at Harrisburg. Victory for the favored Squires would mean the Central Penn Catholic League championship.

G-BURG SOCCER TEAM SECOND IN MASCAC LEAGUE

Gettysburg College's soccer team, who met Western Maryland here today, is in second place in the Northern Division of the Middle Atlantic Conference with a 5-1-1 record, according to latest figures released by the MASCAC.

Rutgers, 4-0, paces the Northern Division. Swarthmore, also 4-0, is the leader in the Southern Division. Bill Barriga's Bullets are enjoying their best season in history and have an overall record of 7-1-1.

CAPITANI GETS ALL-AMERICA NOMINATION

Another honor came to Gettysburg fullback Frank Capitani this week when it was learned that he has been nominated for All-American by the Football Writers Association of America. Capitani, quarterback Dan Nolan, Lehigh, and tackle Pete Williams, Lehigh, are the only small-college players on the FWAA nomination list released in Des Moines, Iowa, on November 1.

Capitani, who lives in Hershey, is the first Gettysburg All-American in the school recent history. Capitani was named to the Associated Press All-State first team last year and received honorable mention All-East and Little All-American.

Other FWAA All-American fullback nominations for 1957 include Ed Coffin, Syracuse; Gene Coker, Yale; Larry Hickman, Baylor; Buddy Dike, TCU; Ray Chilton, Rice; Dick Gay, Texas A&M; Nick Pietrosante, Notre Dame; Jack Morris, Oregon; Jim Bakhtiar, Virginia; Jim Taylor, LSU; Bill Atkins, Auburn, and Ed Sears, Florida.

Capitani, destined to go into the record books as one of Gettysburg's greatest all-time players, has been an offensive and defensive star since his sophomore year. He is a graduate of Hershey High School.

GHS RESERVES TIE UNBEATEN SHIPPENSBURG

Gettysburg High School's junior varsity wound up its season here Thursday afternoon with its finest performance in deadlocking the unbeaten Shippensburg reserves 7-7. The deadlock gave Bill Williams' outfit a 4-4-1 record.

Shippensburg was quick to capitalize on a Warrior fumble on the kickoff, the ball being recovered on the locals' 32. After picking up a first down on the 19, Hockenberry carried to the Gettysburg 7. From that point Zinn circled end to score. Bard plunged for the point to make it 7-0.

The Warriors came right back to march 58 yards for the tying points which came early in the second period. Gettysburg returned the kickoff to its 42. Bob Dean picked up a first down on the Hounds' 47. Three more running plays advanced the ball to the 37. Dean got away for 10 more yards. After gaining another first down to the 15, the Warriors picked up 5 yards when the Hounds were off-side.

Richardson Goes Over
On the third down in the second quarter, Gordon Richardson, quarterback, slashed through tackle from the 10 and added the tying point on a plunge.

Shippensburg moved to the Gettysburg 30 where the Warriors recovered a fumble and a short time later the half ended.

Neither team could make any headway in the third period and several exchanges of punts took place.

Late Threat Stopped
Gettysburg just missed scoring in the final minutes of the last period. Midway in the period Jason Guiden returned Kane's punt to the middle stripe. After picking up a first down, the Warriors were halted and Shippensburg took possession. On the second play Richardson intercepted a Shippensburg pass deep in enemy territory. The Warriors, thanks to a penalty, advanced to the 4. A 5-yard penalty set the ball back on the 9 and the Warriors were stalled as the game ended.

Richardson and Dean played fine offensive ball for Gettysburg with Mike Small and Ed Simpson shining on the defense.

The lineups:

Gettysburg
Ends—Small, D. Waddel
Tackles—Grosholtz, B. Swope
Guards—Rudisill, Snead, Kershner
Center—Simpson
Backs—Richardson, Guiden, Fisel, Rohrbaugh, R. Swope, Dean.

Shippensburg
Ends—Kelso, Kane
Tackles—VanSoyce, V. Harper
Guards—Ullsh, M. Harper
Center—Madden
Backs—Zinn, Hockenberry, Bard, Wyrick.

Score by periods:
Gettysburg 0 7 0 0—7
Shippensburg 7 0 0 0—7

Touchdowns — Zinn, Richardson, PAT, Bard, Richardson, plunges.

TO MEET AGAIN ON PCL PLAN

NEW YORK (AP)—Commissioner Ford Frick and other baseball officials had a go at figuring out a realignment for the indispensed Pacific Coast League yesterday. But if they hit on a plan, they hung it in a closet to see if it rattles before making it public.

All that was announced after the meeting was a statement saying (1) the meeting had been held, (2) who attended, and (3) they will meet here again Tuesday.

The session was so hush-hush Frick's office even refused to name the hotel on the northwest corner of Lexington and 42nd St. where the meeting was held.

Navy-Duke Tilt To Be Test Of Power

BALTIMORE (AP)—Navy's depth in talent will come in for its most severe football test against Duke in Memorial Stadium Saturday.

Duke is big and numerous. Coach Bill Murray of Duke likes to use sheer power to wear down an opponent if it can be done.

Coach Eddie Erdelatz has been preparing for such an eventuality, however. He has substituted two eleven freely and given a third eleven plenty of action.

The game will be telecast regionally, in the East.

GARDEN STATE RACE LIKELY TO PAY \$50,000

CAMDEN, N.J. (AP) — Ironically, Gallant Man and Round Table, top contenders for three-year-old of the year honors, will clash in the \$75,000 added Trenton Handicap at Garden State Park Saturday for about half the money offered by several other tracks.

The two classy three-year-olds and Wheatley Stable's Bold Ruler, plus perhaps one or two others, are slated to run in the mile and a quarter Trenton. The winner figures to drag down somewhere in the neighborhood of \$50,000. Ralph Lowe, owner of Gallant Man, and Travis Kerr, owner of Round Table, previously had been offered \$100,000, winner take all for a match race.

However, while the money is always welcome, both Lowe and Kerr are wealthy enough to want the three-year-old title, regardless of the purse. And that's what they'll be running for about 4:10 p.m. (EST) Saturday.

Originally, the horse of the year honor also was at stake, but this phase of the race went by the boards when Mrs. Jan Burke was forced to scratch her 5-year-old handicap ace, Dedicate, because of a bruised hock.

Mrs. Burke's husband, Eddie, did the scratching and in so doing fired a challenge to the winner. The Burkes intend to send Dedicate to stud in Kentucky next year. But Burke commented, "If Dedicate comes along all right, we might send him in the Pimlico Special—if we could get a crack at the winner of the Trenton."

The track handicapper has made Round Table the 7-5 favorite, with Gallant Man 8-5, and Bold Ruler 9-5.

The jockey alignment seems to be all set, with Eddie Arcaro aboard Bold Ruler, Willie Har-matz booting Round Table and Willie Shoemaker handling Gallant Man.

"MUST" GAMES ON CARDS FOR THIS WEEKEND

By ED WILKS
The Associated Press

This college football season, one of the best ever, now comes up with a weekend that plunks the underdogs on the spot along with the favorites. It's put up or shut up for most everybody.

The big games tomorrow are Texas A&M-SMU, Oklahoma-Missouri, Auburn-Mississippi State, Iowa-Minnesota, Ohio State-Purdue, Navy-Duke, Tennessee-Georgia Tech, Michigan State-Notre Dame and Oregon-Washington. Just about all of them have a double angle.

Texas A&M, No. 1 again in The Associated Press poll, probably has had its scare for the year (last week's 7-6 decision at Arkansas) and is a two-TD favorite. Southern Methodist, putting in a late bid for the Southwest Conference title and a bowl berth must knock off the Aggies to make the bid bud.

Must Win Big
Oklahoma's sub-par Sooners, finding summer soldiers among the supporters who have beaten the drums through 46 consecutive victories, must win big against Missouri to retain their national prestige. Mizou, grown ambitions after winning four in a row, must knock off the Sooners to swipe the Orange Bowl spot.

Auburn, giving Oklahoma a battle for second place in the poll, is at least a touchdown pick in its big bid for a perfect season and the Southeastern Conference title. But Mississippi State must look good in this one for any chance at a bowl shot.

Iowa, knocked out of the Big Ten lead by last week's tie with Michigan, is a touchdown favorite as the Hawkeyes eye a repeat crown although barred from a Rose Bowl repeat. Minnesota, twice beaten but still hopeful of the Rose Bowl bid since the Gophers play one more game than Ohio State and Michigan State, must win this one to stay alive.

Tennessee Favored
Tennessee, a touchdown favorite, has lost only to Auburn but can't lose another and retain a crack at one of those bowl berths. Georgia Tech, poking its nose in with last week's upset of Duke, must win the rest of the way for a seventh consecutive bowl appearance.

Michigan State, favored by two TDs, is working on a comeback up the top 10 list after that upset by Purdue three weeks ago. Notre Dame, knocked off by Navy last week and facing Oklahoma next week, must win this one in its comeback try from last season's poor showing.

Buckeyes On Spot
Ohio State can't afford to breathe easy against Purdue if the Buckeyes are to retain the Big Ten lead and an edge in the race to the Rose Bowl. Navy, with an eye on another bowl bid, proved it had the stuff against Notre Dame, now must prove it knows what to do with it against Duke's Blue Devils, who have the Atlantic Coast Conference bid to the Orange Bowl in the bag

NEW PONTIACS WILL BE SHOWN ON SATURDAY

Sixteen all-new models in four series — headed by a "dream car" series — are presented by Pontiac in 1958, General Motors' Golden Jubilee year. The new cars will be on display Saturday.

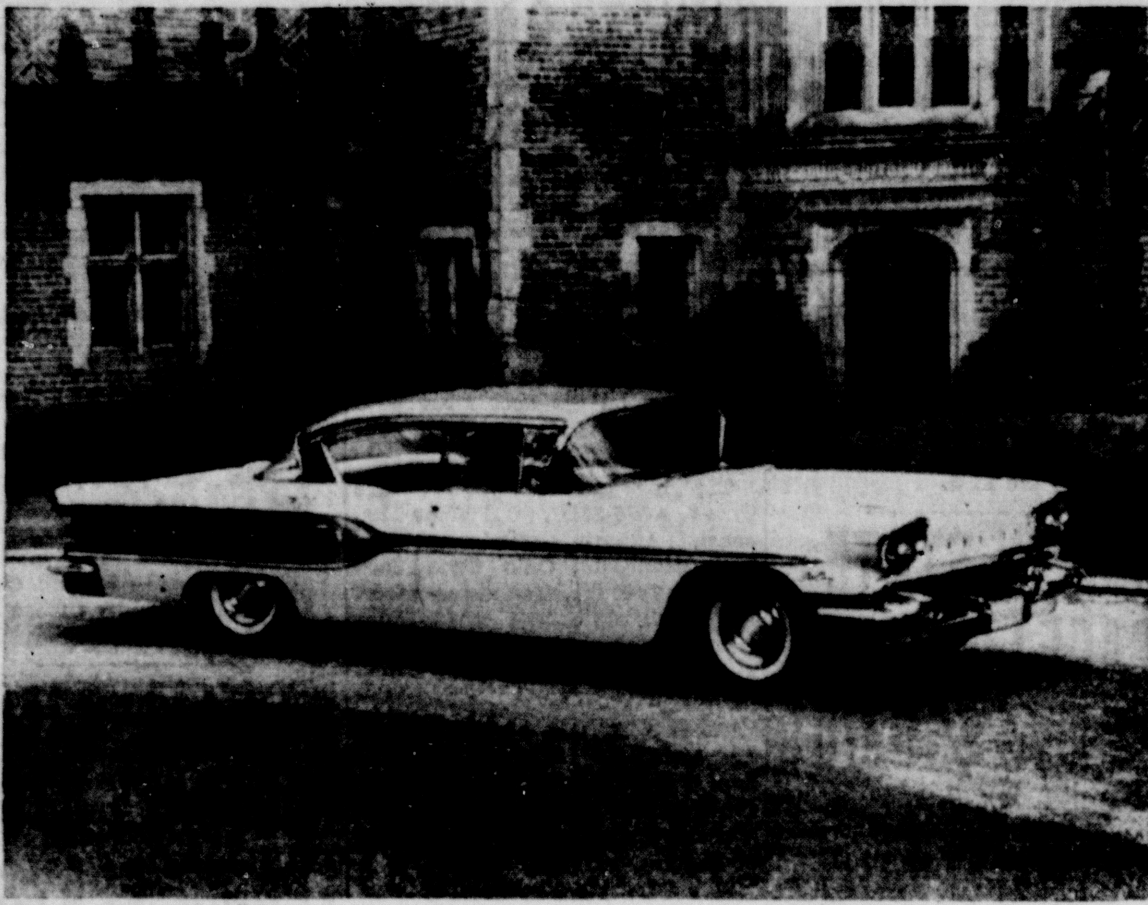

A new body, new chassis, new "Tempest 395" V-8 engine, new optional equipment and a new Bonneville series of family size "dream cars" mark what the division calls "the boldest advance in 50 years."

"These bold new cars are both a tribute to GM's Golden Jubilee and our own 50th anniversary," S. E. Knudsen, GM vice president and general manager of Pontiac Motor Division, said in announcing the new cars.

"Fifty years ago America's pioneer motorists welcomed the new Oakland, predecessor car to Pontiac. But outside of having wheels, engine and a body of sorts, the 1908 Oakland bore no resemblance to the sleek 1958 Pontiacs we will present in our dealers' showrooms November 9. These cars are lower, longer, wider and combine high performance and comfort with high style and luxurious interiors," Knudsen said.

Other Innovations
In addition to the top-of-the-line Bonneville convertible and sport coupe, Pontiac offers other new innovations for '58. Among them are a convertible in the lowest priced Chieftain line, air ride suspension as an option on all models, along with improved fuel injection introduced by Pontiac last year.

The new "Tempest 395" V-8 engine is bigger than ever, with displacement increased from 347 to

Pontiac's perennial favorite is this big, luxurious and exquisitely styled Star Chief four-door Catalina designed to make the heart of every motorist beat faster. Solidly built on a 124-inch wheelbase, the Star Chief Catalina is synonymous with big car styling and comfort, and is available in four models: two and four-door Catalinas, a four-door, slim pillar sedan and a four-door Custom Safari station wagon. Among the fine features of this series is the big "Tempest 395" V-8 engine and "prestige" interior of glamorous leather and fabric.

370 cubic inches, and designed to deliver power where most needed — in the traffic range.

Pontiac engineers list 88 new features in the 1958 models and 135 separate safety features. Striking "New Direction" styling accentuates the car's longer, lower, wider look. The low, horizontal grille is topped by dual twin head lamps and rises above the heavy bumper, which incorporates massive parking and signal lamps. A new gold, rectangular crest featuring a "V" on a grooved back-

ground above the name, PONTIAC, in block-style lettering, is positioned in the left side of the grille. Delta wing ornaments ride atop each front fender with twin wind-splitters continuing along the fender.

The missile-type side moldings sweep back to concave flares in the rear fender and frame distinctive series markings. The Bonneville has, in addition, four simulated front fender louvers.

Spelling Errors Solve Bomb Threat

CHESTER, Pa. (AP)—Spelling errors in a bomb-threat note to blow up Chester High School yesterday led to the arrest of two teen-age pupils.

Teachers gave a spelling test to 1,000 male pupils to see which ones misspelled the five words misspelled in the note. Detectives said 70 boys misspelled the words. The list was cut to two by detectives John Taylor and Herbert Wright, who considered such other details as which boys had been wearing blue shirts and khaki trousers—as described by a secretary who saw the note pushed under a glass door.

The detectives said they found a typewriter on which the note was written in the home of Bradford Beckley, 17. He was charged with writing a threatening letter. Donald Fisher, 17, was charged with conspiracy.

TORNADOES KILL THREE IN TEXAS

ORANGE, Tex. (AP)—Tornadoes swooping from rainy skies with a blasting roar dealt death and destruction in this Texas Gulf Coast industrial area last night. Collapsing homes crushed at least three persons to death.

Rescuers laboring in darkness amid fallen power lines carried 81 others to hospitals. Police estimated many more suffered lesser injuries.

Smaller twisters dipped during the night at Alexandria and scattered other points in Louisiana. Thirty persons were injured at Alexandria.

One tornado laid waste the Riverside district, a wartime housing project near the Sabine River on the east side of Orange. Witnesses said apparently a second funnel knifed into Groves, about 20 miles southwest. There was limited damage at Nome, China and Port Acres.

Clay Zeringue, 82, and R. T. Smith, 70, both trapped as their homes fell apart at Groves. Mrs. Annebell Peck, about 45, Negro expectant mother who was pinned beneath the wreckage of her two-story frame dwelling here.

The King Ranch in Texas plans to open a 5,000-acre tract to public hunting on a nominal fee basis.

HOLD SUSPECT IN SLAYING OF TWO TROOPERS

GEORGETOWN, Ky. (AP)—A North Carolina hitchhiker who was riding with a gunman when he killed a policeman was due here today to try to identify a man who police said fits the killer's description.

The man was captured yesterday following a two-day, three-state search after two North Carolina highway patrolmen were killed when they tried to flag down a speeding automobile.

Robert Terry Jr., 30, Norman, N.C., told police he was riding with the man who gunned one of the officers.

Held here on a loitering and vagrancy charge was a man identified as Kenneth Combs, 24, who gave his address as Cincinnati, Ohio.

Combs' arrest came after police in North Carolina, Tennessee and Kentucky followed a trail of stolen and abandoned automobiles.

The car identified by Terry as the one in which the killer was riding was found in Chattanooga, Tenn.

Police Chief Donald Van Arsdall said Combs apparently hitchhiked into Georgetown sometime yesterday. He said Combs told a confused story about his whereabouts.

Stolen Car Wrecked
Van Arsdall said a shirt in one of Combs' suitcases seemed to be bloodstained. One of the stolen cars was wrecked and police found bloodstains in it.

Terry said he got into a 1957 black Oldsmobile Tuesday when hitchhiking outside Ashboro, N.C.

He said a patrol car flagged them down and when the patrolman approached the car, the driver shot him. Terry said he jumped from the car.

Killed Tuesday night were Patrolmen Wiester Lee Reece, 39, near Ellerbe, N.C., and J. T. Brown near Stanford, N.C.

Tap Water Ted
Tap Water Ted it often was said,
Must have been born with pipes in his head.
He served his highballs with a tap water mixer.
And everyone knows that's a tasteless elixir.
The flavor was flat... had no jubilation,
So he switched mighty quick to
Canada Dry Carbonation.

You'll feel good in the morning if tonight's drinks are made with Canada Dry Ginger Ale or Club Soda

The sparkling bubbles: 1) curb hang-overs because they speed the liquid through your system 80% faster... 2) aid digestion... 3) make highballs better for you... These are facts proven at a leading university.

You will taste the difference in a Canada Dry highball! Canada Dry Mixers have exclusive "Pin-Point Carbonation." It makes tall drinks sparkle longer, taste delicious, brings out the flavor of any liquor.

ON THE HOUSE

By JOHN O. B. WALLACE

The Associated Press

The American family is moving back into the kitchen! It's the best news we've heard in many an autumn moon.

In the kitchen, you're closer to the victuals — and far removed from the dreary twaddle of television.

But more than that seems to be behind this joyous journey.

Mother, the experts tell us, has lost her appetite for those gleaming-white, antiseptic kitchens.

This is not to say that Mother is forfeiting her right to any of those modern, labor-saving appliances which have made life in the kitchen so much easier.

Mother, the experts tell us, just wants to get some of that old-fashioned atmosphere back into the kitchen.

It's a return to the old Dutch kitchen — or, as it is known also, the country kitchen — where there is ample space as well as the facilities for family living.

Old-Fashioned Warmth

The trend today in kitchen design is away from cold, white efficiency — and back to the rich, warm atmosphere of colonial day kitchens. The Dutch kitchen of today is a combination of the old

and new. It is old in its friendly warmth — and new in its use of modern materials.

Its basic components are still there — the large, open kitchen area with a fireplace and a dining table and a decor of wood and brick. There is still a door from the kitchen to the outside.

Elsewhere there are changes. Modern flooring materials, for example, are being used — rubber, vinyl, asphalt or ceramic tile.

But to achieve warmth, increasing use is being made of the old standby materials — brick, stone, cheerful wall paper and wood.

Modern appliances, of course, continue to be added. However, even the appliances, themselves, have been discarding the white finishes in favor of color and texture.

Many New Finishes

For paneling and built-in storage space, knotty or clear western pine woods are becoming increasingly popular. A variety of new and interesting finishes have been developed. These increase the

lustre and warmth of wood while still retaining the natural beauty of the many available grains.

There are new ways of treating wood, too, and the pine-paneled

HOMAGE FOR AN 'OLD BOY' — Students at Harrow School form a cordon of respect for Sir Winston Churchill as he leaves his alma mater following a visit. The 82-year-old statesman attended the school in the late 19th century.

APPRECIATION . . .

Please accept my sincere thanks and appreciation for re-electing me Tax Collector of Gettysburg Borough. I appreciate your continued confidence in me and pledge to conduct this office as in the past to the best of my ability.

J. HERBERT WEIKERT

kitchens of today thus are clean and as easy to maintain as almost any other material.

With the accent on wood, a new concept in built-ins and storage space has been achieved. There are island counters with cabinets and drawers that open on both sides.

There are floor-to-ceiling cabinets for groceries and utensils. There are even high fidelity units built into a paneled wall, for an ultra modern touch.

Still, the important features of the earlier kitchens are there — especially the huge brick or stone fireplace with perhaps a barbecue oven or grill added, and the open wooden beamed ceiling.

Questions And Answers:

Q. Can you tell me an easy way to cut ceramic wall tiles?

A. With a pencil, mark the glazed surface along the line of the cut to be made. If there are ridges on the backs of the tiles, make the cut parallel to the ridges, not across them. Now, using

a ruler or another piece of tile as a straight edge, scratch the glazed surface along the indicated cut

PLAN TO SHARE SCIENTIFIC DATA MAY BE OPPOSED

WASHINGTON (AP) — President Eisenhower's call for creation of a NATO scientific committee to speed the sharing of knowledge among Allied nations seemed assured today of enthusiastic acceptance by the European allies.

The test of Eisenhower's leadership on this issue will come in

with a glass cutter. To break the tile, place it on the floor (glazed side face up) over a finishing nail. Line the nail up with the cut and step on both sides of the tile. The tile will break along the indicated line. Finish off the cut edge with an abrasive stone.

Q. What is a cavity wall?

A. This is formed by two brick walls built a few inches apart and connected with metal ties.

persuading Congress to grant him the necessary authority to share secret atomic weapons information.

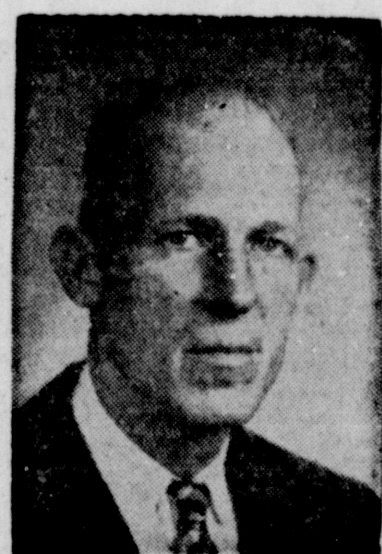

He is expected to face more opposition on the issue in Congress than at a December meeting of the North Atlantic Treaty Organization in Paris. Eisenhower will head the U. S. delegation.

Eisenhower's main argument to

congressional leaders was indicated last night in his broadcast speech on measures designed to recover for the United States the lead in missiles-era weapons which the Soviets demonstrated by their successful launching of earth satellites.

He projected two moves bearing on Allied relationships in the scientific field. He said he would

ask Congress to "remove legal barriers to the exchange of appropriate technological information with friendly countries."

If this authority is granted, he went on, he would support organization of a scientific committee within NATO "to carry out an enlarged Atlantic effort in research."

A similar group could possibly be set up within the Southeast Asia Treaty Organization and other alliances, he suggested.

He also said that Secretary of State Dulles would appoint a science adviser in the State Department and science attaches in "appropriate" U. S. embassies abroad.

The British particularly have sought to restore the World War II partnership of Britain, the United States and Canada which by intensive joint effort produced history's first atomic bomb.

Some administration officials consider relaxation of congressional restrictions on atomic secrets to be one of the keys to the whole broad range of allied cooperation

THREE ESCAPEES GET MORE TIME

READING, Pa. (AP)—Three prisoners who escaped from a detention cell here Sept. 5 have received additional prison sentences.

The Berks County court yesterday imposed the sentences on Charles Miller 33, Philadelphia, and Perry Costello and Charles Plourde, both of Malden, Mass. The men will serve their sentences in Eastern Penitentiary at Philadelphia.

Miller was sentenced to 1½ to 3 years in addition to his present sentence which expires in December, 1964. The Sept. 5 escape was the second one for Miller, who also broke out of Berks County prison June 10. He was originally sentenced for burglary.

Costello and Plourde were given 1-to-2-year sentences. They had been serving 5 to 18 months for assault and battery on an Allentown, Pa., man.

HOW SMALL, YET HOW BIG

How small a man seems—walking down a lonely road on a rainy day, with gaunt trees towering over him.

How small man is, and how frail in body. The trees in the picture and even the chimneys on the old house will probably long outlive the man.

Yet how big man is—in the things that are not of the body, but are of the mind and soul. God has not made man mammoth. But He has made him potentially great—if he will but accept the blessings given him, and use the tools of Christian teachings.

Man finds in the Church, the encouragement and the instruction to enable him to make from his God-given divine spark something great and enduring—and of benefit to all human-kind.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

SAYS U. S. NEAR HIGH ENERGY ROCKET FUELS

By CHARLES WELSH
PITTSBURGH (AP)—A scientist revealed today that the United States soon will attain substantial production of boron-hydrogen high energy fuels, compounds which some sources suspect were the new type rocket power Soviet Russia says it used to fire Sputnik II into space.

"Project Zip" was the code name assigned to the research by the Navy in 1952. It has been classified as secret until very recently. Pilot plant production of boron-hydrogen compounds has been under way for some time at the plant of Callery Chemical Co. in Butler County 25 miles north of Pittsburgh. Dr. George F. Huff, the company's director of research, told a reporter. The output has been devoted to research.

New Plant Soon
A new four-million-dollar plant going into production next spring at Lawrenceburg, Kas., will produce "practical quantities," he said. Larger production will come from a 38-million-dollar plant scheduled to open at Muskogee, Okla., in January 1959.

Callery is a subsidiary of Mine Safety Appliance Co. Gulf Oil Corp. recently purchased 25 per cent of Callery stock and is assisting some of the research work. A number of other companies are engaged in similar work.

Power of a fuel is measured by the number of British Thermal Units of heat generated when it burns. Rockets convert this heat energy into motion energy.

32,000 BTU Tops
For comparison purposes, the gasoline which powers your car yields about 18,500 BTU's per pound. The liquid burned by jet

Fake Invitations Called "Poor Joke"

WASHINGTON (AP)—Phony invitations to last night's anniversary party at the Russian Embassy were received by many members of Congress.

The handsomely embossed fake invitations were for a celebration "of the 40th anniversary of the world's most powerful slave empire and the farewell party in honor of our former minister of defense, Marshal Georgi Zhukov."

Commented a Soviet Embassy spokesman: "It's obviously a not very clever attempt to be funny. It's a very poor joke."

Plan Changes At Arlington Cemetery

WASHINGTON (AP)—Ceremonies next Monday at the tomb of the Unknown Soldier will be the last Veterans Day program there honoring a fighting man of World War I as the sole symbol of America's unidentified military dead.

By next Veterans Day, formerly known as Armistice Day, the unknowns of World War II and of Korea will have been buried at the shrine in Arlington National Cemetery.

aircraft yields about 18,000 BTU's. A pound of boron-hydrogen compound is more than 50 per cent more powerful. Decaborane, a solid, yields 28,500 BTU's per pound; pentaborane a liquid, steps up to 29,000 BTU's and diborane, a gas, goes to 32,000.

Hydrogen alone yields 52,000 BTU's. But it is a tricky gas which can be solidified only at hundreds of degrees below zero and Dr. Huff says chemists have been unable to find any practical fuel above the 32,000 BTU level.

Boron-hydrogen compounds appear to be "the approximate ceiling for chemical energy," he says. The next step is nuclear fission or fusion as a propellant force.

CIVIL RIGHTS COMMISSION IS NAMED BY IKE

By JOHN CHADWICK
WASHINGTON (AP)—President Eisenhower's selection of the members of the new Civil Rights Commission opened the way today for an early start on its thorny task of seeking to prevent racial discrimination.

The difficulties confronting the six-member commission, provided for by the Civil Rights Act passed by Congress last August, have since been underscored by the inflamed feeling aroused by the school integration controversy in Little Rock.

Eisenhower, who only recently said he was having trouble finding men of the caliber and stature he wanted, announced the appointments late yesterday.

Reed as Chairman
Retired Supreme Court Justice Stanley Reed was named chairman.

The appointments are subject to confirmation when Congress reconvenes. Meantime the members armed with power to subpoena witnesses, can swing into action as soon as they get organized.

Still to be named by Eisenhower, also subject to Senate confirmation, is a full-time staff director at \$22,500 a year.

Reed, returning to Washington last night said he had no immediate plans for starting the commission's operations. As a justice, he joined in the Supreme Court's unanimous ruling in 1954 that racial segregation of public schools was unconstitutional.

Hannah Vice Chairman
Named as vice chairman was John A. Hannah, president of Michigan State University and a former assistant secretary of defense.

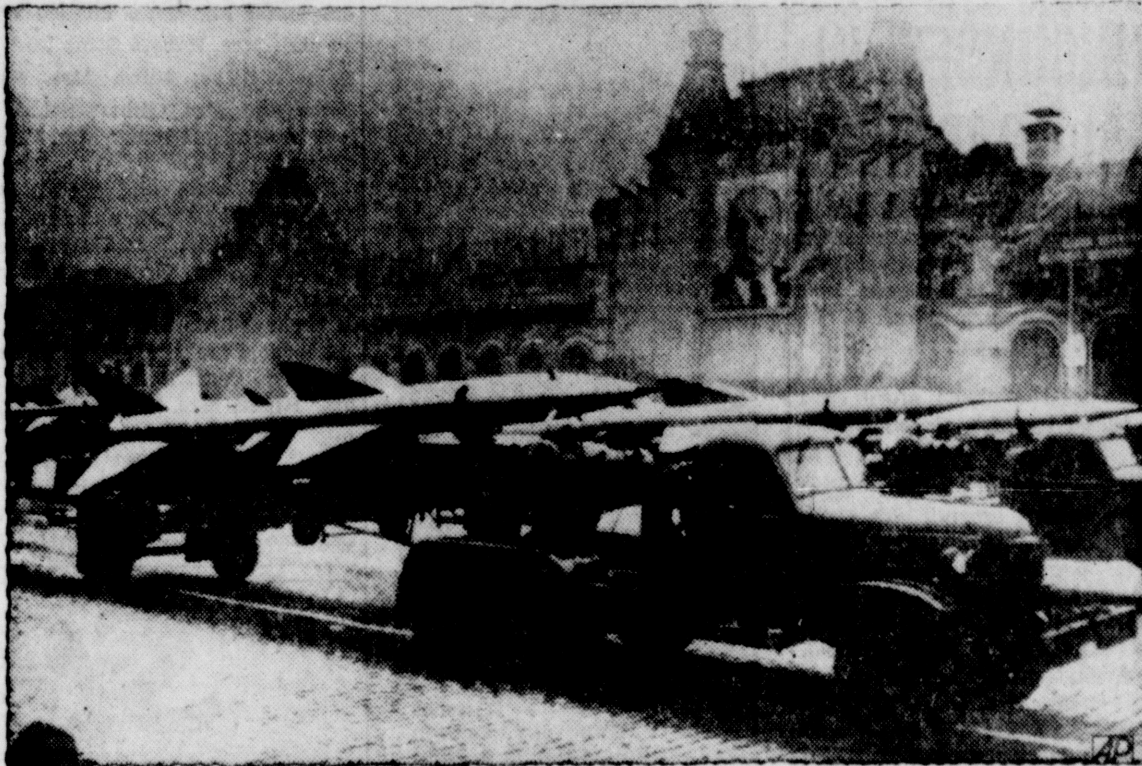

Other members are John S. Battle former governor of Virginia; J. Ernest Wilkins, a Negro and an assistant secretary of Labor; the Rev. Theodore M. Hesburgh, president of the University of Notre Dame, South Bend, Ind.; and Robert G. Storey, dean of the law school at Southern Methodist University, Dallas, Tex.

The White House listed Reed, Battle and Storey as Democrats, Hannah and Wilkins as Republicans and Hesburgh as a political independent. The law requires that not more than three be from any one political party.

Favorable Reaction
Eisenhower's selections met with a generally favorable reaction from the few senators available for comment.

However, Sen. Eastland (D-Miss), chairman of the Senate Judiciary Committee to which the nominations presumably will be

Some Northern Democrats have criticized Eisenhower for not naming the commission members earlier, contending it could have been helpful in resolving the impasse at Little Rock.

9-Year-Old Girl Is Killed By Car

HARRISBURG (AP)—A nine-year-old Dauphin County girl was killed last night when police said she darted in front of an oncoming car and was knocked to the ground. State Police Troopers Sam D. McKay said Esther Groce, of Dauphin R. 1, was struck by a car operated by Donald C. Casner, 21, of Millintown.

McKay said the girl suffered a fractured right leg, but physicians were unable to find any other injuries. He said a post mortem will be performed on the body later today.

Wants U. S. To Push Atomic Research

ABSECON, N.J. (AP)—The Federal Government must continue to assume a substantial part of the research and development work in atomic power, an official of the

Westinghouse Electric Corp. said yesterday.

Charles H. Weaver, a Westinghouse vice president from Pittsburgh, Pa., told the New Jersey Utilities Assn. that economically competitive atomic power in this country is still years away and that much more development is still needed.

Weaver noted the construction at Shippingport, Pa., of an atomic power plant by his company, the Duquesne Light Co., and the federal government. He said that for every dollar's worth of actual construction 80 cents is spent for research and development.

Even in Western Europe, where atomic power is sorely needed, it will be 5 to 10 years before it can be supplied economically. Weaver told the association's 42nd annual meeting.

A NEW KIND OF CAR IS BORN!

Tomorrow at Your Pontiac Dealer's!

BOLDEST ADVANCE IN 50 YEARS!

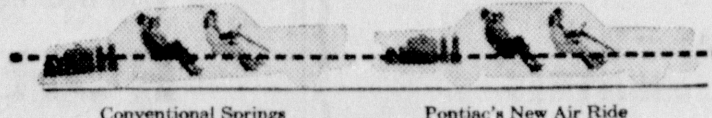

THE GOLDEN JUBILEE CAR!

It's a revolution on wheels—boldly planned from the very beginning as a Golden Anniversary showpiece for Pontiac and General Motors.

This one you really must see—here is a car unlike any you have ever known! This Golden Jubilee Pontiac is actually an all-new breed of cars—in four brilliant series and 16 sleek models covering virtually every price bracket.

In all of them you'll find engineering advances so daringly different yet so basically sound that they will trigger the next big change in automobile design. You'll find a few of these ideas illustrated here, but even they can't begin to tell the full story.

Why not be among the first to discover the newest. When you meet this bold new Pontiac, you're in for a driving thrill that is impossible to duplicate in cars of conventional design. So make it a point to see your Pontiac dealer soon and prove to yourself that no car in history ever left yesterday so far behind!

Ever-Level Air Ride*

The most perfect suspension system ever designed—and Pontiac's revolutionary Aero-Frame is specifically designed for it! Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!

*An extra-cost option.

Aero-Frame STABILITY

Here is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box type used on other cars.

Quadra-Poise ROADABILITY

Only the wheels know where the bumps are! Pontiac's new suspension geometry ends dive, sway and bounce to bring you the smoothest ride, easiest handling you've ever known!

Circles-of-Steel SAFETY

Pontiac's completely new body construction surrounds you with girder steel protection—above, below, fore and aft. Now you can drive with wonderful new peace of mind!

Tempest 395 PERFORMANCE

Try Pontiac's new jeweled-action response! Scores of exclusive engineering innovations make Pontiac's hefty power plant a miracle of smoothness... and you can choose from four horsepower ratings including Tri-Power Carburetion* and Fuel Injection*.

PITTSBURGH IS HARD HIT BY TRANSIT STRIKE

By WILLIAM A. SWARTWORTH
PITTSBURGH (AP) — This steel metropolis today struggled for the 26th straight day without its main transportation system as losses from a strike mounted into unestimated millions.
Drawing on experience gained during a similar 35-day strike of trolley and bus operators against the Pittsburgh Railways Co. in 1954, residents generally have adjusted to finding other means of getting to work and to school.
But merchants have felt the strike keenly. Many shoppers have put off buying, hoping the walk-out won't last much longer.
Business Drops
It is estimated that business of big department stores has been off between 30 and 40 per cent. Sales in neighborhood business sections also have been affected.
Taking up the transportation slack in a metropolitan area of some 1½ million are auto pools, commuter trains, taxicabs and 14 independent bus lines connecting the downtown section with various suburbs.
A number of courtesy ride stations also have been set up. Some residents simply walk.
Before the strike started Oct. 14 Pittsburgh Railways had an estimated 350,000 daily riders.
Traffic Jams
The influx of autos into the congested downtown area has caused several monumental traffic jams. Pittsburgh's hilly terrain, twisting

streets and lack of main throughways all contribute to the vexing traffic problem.
City officials have moved to ease the situation by inaugurating new traffic rules. Others are in the works.
There has been some discussion of organized staggering of working hours at plants and offices. So far nothing much has come of it.
No end of the strike is in sight. Federal and state mediators are watching closely for a change in position by either side to call for resumption of stalled negotiations.
2,200 On Strike
About 2,200 trolley and bus operators struck in a contract dispute centering on wages.
The strikers, members of Division 85 of the Amalgamated Assn. of Street, Electric Railway and Motor Coach Employees, demand a 35-cent hourly wage increase in a two-year contract.
Before talks collapsed Pittsburgh Railways offered a two-year pact with a 16-cent-an-hour raise over the basic pay rate of \$2.14. This included a four-cent cost-of-living increment which the firm offered to freeze into the basic scale.
TANEYTOWN — Mayor Raymond Perry, Taneytown, has been appointed to serve on the legislative council of the Maryland Municipal League for the fifth time by Mayor Roy W. Eves, of Cumberland. It was announced at a meeting of the Taneytown Council this week. The stand pipe was reported completed. The treasurer reported \$12,397.43 in the general account, \$4,668.98 in the expense account and a balance of \$15,289.51. \$4,700 was received from parking meters.

Bible Words for Today

2 CORINTHIANS 2:14, 15 — Thanks be to God, who in Christ always leads us in triumph, and through us spreads the fragrance of the knowledge of Him everywhere. For we are the aroma of Christ to God...

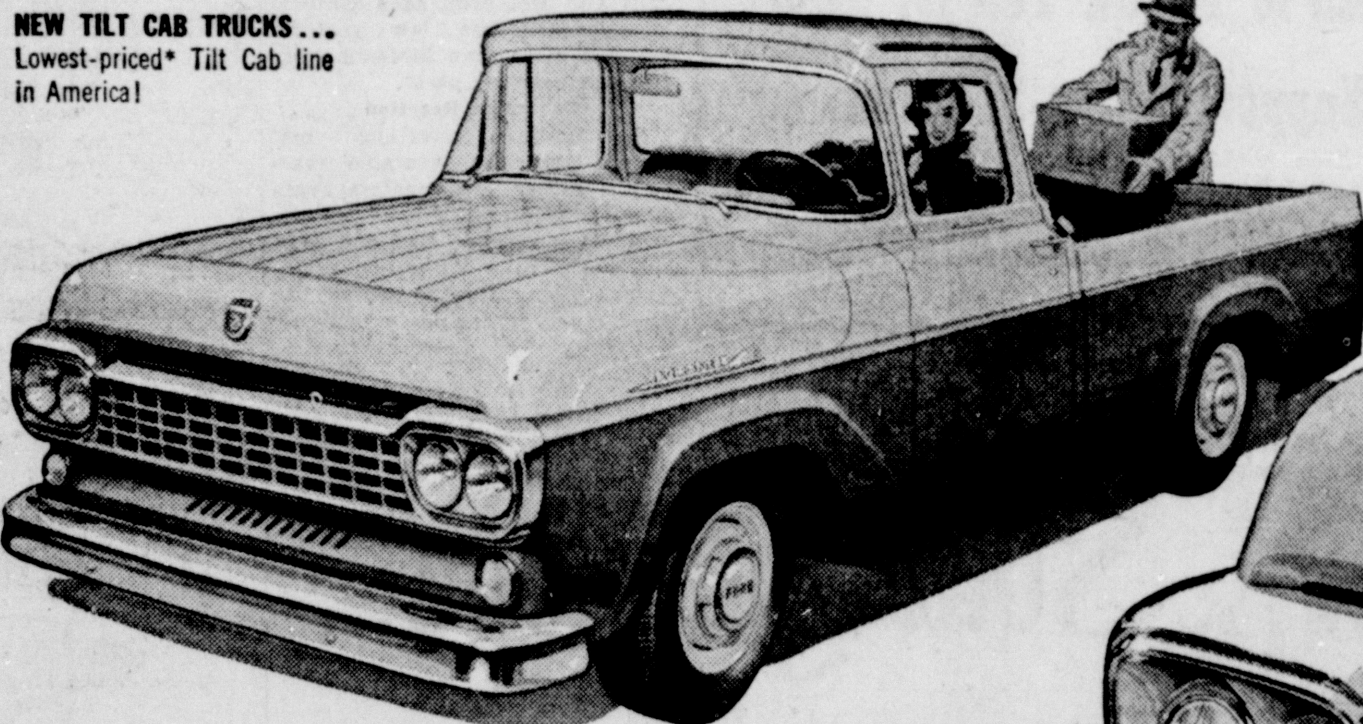

God... (RSV)
Paul's letter reveals a depressed apostle attempting to guide a wobbly church to maturity. Word from Titus cheers him, however, and he burst forth in thanksgiving, as recorded above.
Overflowing with gratitude and assurance, Paul simply declares that Christians have a spiritual odor, a pleasant aroma. This fragrance is pleasing to God, much more so than our earthly odors of freshly-baked bread or rain-cleaned air are to us.
All who work lovingly in the church of Christ are fragrant spirits. We are the aroma of Christ, our surrendered lives revealing God, our radiance speaking of the ultimate victory of good, and our serenity preaching the gospel of peace. The

surrendered life is not easy, but it is the crushed rose that give off the finest perfume, and the broken alabaster box that permits Mary to anoint the feet of Jesus.
The Rev. Richard D. Spelcher, Church of the Brethren, Kokomo
QUICK SALAD
If unexpected company finds you without lettuce in the refrigerator, sliced tomatoes and cucumbers in an oil-vinegar dressing will do fine by themselves for a salad.
LUNCH TREAT
Pour a curry sauce over cooked rice and top with deviled eggs. Heat quickly in the oven. Serve with flaked coconut, chutney, salted peanuts for a party lunch.

PLAN NO CHANGE IN ROUTE OF NEW EXPRESSWAY

WASHINGTON (AP)—The U.S. Bureau of Roads says the general route of the proposed Annapolis Expressway east of the Susquehanna River, has full bureau approval and is subject only to minor changes after public hearings.

The bureau yesterday upheld the tentative location of the route as proposed by its Division Engineer J. L. Stinson at Harrisburg, Pa.

A spokesman for the bureau said opponents of the general route selected by the State Highways Department still have the opportunity to present their case at hearings. He said the bureau's position was that any differences between the Commonwealth and other interested groups should be resolved within the state and added that any change in the general plan should be initiated by the state.

Seranton to Harrisburg
The spokesman said a letter explaining the bureau's stand was being sent to Paul Eyerly, Bloomsburg publisher, who heads a group seeking construction of the route along the west bank of the Susquehanna.

The state's selected route would run from Seranton to the Harrisburg area through part of the anthracite coal mining region of Pennsylvania. The entire route — part of the federal interstate highway network — would run from Binghamton, N.Y., to Hagerstown, Md.

As part of the federal program 90 per cent of the construction cost would be paid by the federal government.

The Bureau's action clarified a situation which arose last Friday when Highways Secretary Lewis M. Stevens received a letter from Bertram Tallamy, federal highways administrator. The letter did not give specific bureau approval of the eastern route but told the state to submit detailed plans of its route.

OFFICERS ARE NOMINATED BY ALPHA FIREMEN

Nomination of officers took place at the November meeting of the Alpha Fire Company No. 1 held on Wednesday evening, in the engine house with 42 members in attendance. The nominating committee included Monroe J. Stavelly, Jay D. Eagehoar and George W. Strevg.

The firemen heard nominations from the floor, as well as the committee report, with the following results: President, Clair J. Redding, Howard Myers and Leslie Shinnham; vice president, Fred A. Sentz, Walter C. Myers, Robert King; secretary, Harry W. Badgers; treasurer, Paul E. Alhoff; fire chief, Glenn E. Ohler, Monroe J. Morelock and Robert L. Snyder; truck foreman, Dennis S. Wallick; drill captain, William Mehring and Burnell R. Keagy; trustee for five years, Bernard G. Kebl and Bernard M. Selby; trustee for two years, John Burgoon, Clyde E. Harner and George E. Hornberger; trustee of the relief fund for three years, Ralph A. Staley; pipe foreman, Jack H. Crouse and Richard Stuller; chief nozzlemaster, Kenneth Shannbrook.

Nominations will remain open until the December meeting, and election will take place at the regular session in January. The voting polls will remain open on the meeting nights from 6 to 8:15 p.m.

Appointment Committee
The meeting on Wednesday was also highlighted with the reading of communications from the auditor general of Pennsylvania regarding making injections of Asian flu vaccine available to active members of the company and the fire police. Those who wish to be inoculated should send the applications or otherwise contact Harry W. Badgers by Monday.

Vice President Clair J. Redding presided at the session, which opened with the group singing "America" and prayer in unison. Secretary Badgers gave his report. Bills ordered paid amounted to \$77.89; receipts were \$61.15. The resignation of Glenn Ohler as fire chief was received with regrets, to become effective on January 1.

The following committee was appointed to investigate the company bylaws concerning revisions to be made at the beginning of the new year: Henry E. Wallick, Glenn Ohler, Walter Myers and George E. Hornberger. A donation was received from J. Ray Reindollar for services rendered. A letter of thanks was read from

Ion Delta and Xi Alpha Chi on Tuesday, November 19, in Gettysburg. The group will leave from the home of Mrs. John F. Feaser Jr., S. Queen St., and transportation will be provided. The next regular meeting of the Eta Tau Chapter will be held on Tuesday, Nov. 26, at the home of Mrs. Ray T. Harner, near town, when Mrs. Feaser will discuss the topic "The Art of Dressing."

The Sunset Valley Rangers will provide music for dancing at the Littlestown Eagles Home on Saturday, when the weekly dance will be held from 9:30 to 12:30 that night.

The first of the monthly fall and winter dances will be held for the local Brownie Scout troops on Monday evening from 6:30 to 8 p.m. in the basement room of the F.O.E. Home, W. King St. There will be supervised dancing to the nickelodion, and light refreshments will be served.

Sylvania Lodge No. 613, Independent Order of Odd Fellows, Littlestown, will be host to the Adams County Past Grand Association for the November meeting on Monday, 8 p.m., in the lodge rooms on E. King St.

At the conclusion of the business, refreshments were served by Howard Myers, Paul F. Boiler Jr. and Mark Redding, and this committee will also serve for the next meeting on Tuesday, December 3.

Eagles' Auxiliary Adds 3 Members

Three new members were welcomed into the Ladies' Auxiliary to the Fraternal Order of Eagles, Littlestown Aerie No. 2226, at the meeting on Wednesday evening. They are Miss Dolores Koonz, Mrs. Myrl Logue and Mrs. Hazel Harrison.

Mrs. Mary Kraft, president, presided and heard a report from Mrs. Mabel Rittase, secretary. It was announced that a cash gift had been sent to George Miller, the unit's foundation boy, for his birthday. Announcement was also made that a directors' meeting will be held on Sunday afternoon in Gettysburg. Members will leave at 1:15 p.m. from the F.O.E. Home on W. King St., and transportation will be provided.

Preliminary plans were made to award turkeys at the public party to be held on Friday, Nov. 22, at 8 p.m. There will be no public party on Friday, Nov. 15, in favor of the party to be held by the Alpha Fire Company Auxiliary that evening. The F.O.E. Auxiliary will hold a public party this evening, beginning at 8 o'clock.

The guess package was won by Mrs. Hazel Harrison. Mrs. Josephine Hall was awarded the jackpot. Refreshments were served by Mrs. Hall and Mrs. Rittase, who will also serve as hostesses at the next meeting on Wednesday, Nov. 20.

WOMEN'S GUILD MEETS
"Going Forward Together With the United Churches" was the subject discussed by Mrs. Ralph I. Unger at the November meeting of the Women's Guild of Christ United Church of Christ, held on Wednesday evening at the church. The program opened with a song service, for which Mrs. Harold E. Shoemaker was pianist, followed with the opening thought by Mrs. Unger. At the close of the topic presentation, Mrs. Unger gave a thank offering meditation and prayer.

Routine business was transacted during the session in charge of Mrs. Unger, president. A report was heard from Mrs. LeRoy W. Berwager, secretary. Mrs. Harold Shoemaker was appointed to be leader for the next meeting on Wednesday, December 4, at the church.

AT ALLENBERRY
The following members of the Ladies' Auxiliary to the Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars, and their guests enjoyed dinner and the playhouse production at Allenberry, near Boiling Springs, last Friday: Mr. and Mrs. Charles F. Bridinger, Mr. and Mrs. Earl J. Weaver, Mr. and Mrs. Donald G. Garner, Mrs. Elmer W. Gall, Mrs. Norman J. Hahn and Miss Helen Jacobs. The group saw the presentation of "The Hasty Heart." A pie and cake social will be featured at the monthly meeting of the VFW Auxiliary on Thursday, Nov. 14, 8 p.m. The hostesses will be Mrs. Madalyn Bloom, Mrs. Aetha Gall and Mrs. Hazel Harrison.

INVITED TO PARTY
Members of the Kingsdale Volunteer Fire Company and its Ladies' Auxiliary are invited to a party at the company's auxiliary for a recent contribution from the company.

No Fire Calls
Fire Chief Ohler reported that there were no fire calls since the last meeting. He also reported for the committee in charge of investigating the matter concerning walkie-talkies being secured by the company; the matter was discussed and tabled until a future meeting. Ivan D. Rickrode, captain of the fire police, announced that there will be a special meeting of this group on Monday, 8 p.m., at the engine house.

At the conclusion of the business, refreshments were served by Howard Myers, Paul F. Boiler Jr. and Mark Redding, and this committee will also serve for the next meeting on Tuesday, December 3.

BUSES RUN IN WILLIAMSPORT

WILLIAMSPORT, Pa. (AP)—Bus service was resumed today in this central Pennsylvania city of 45,000 ending a strike of 39 days by 45 drivers and shopmen.

The number of bus drivers in the first few runs appeared below normal. One explanation was that car pools formed during the strike continued to operate on the final day of the five-day work week.

The bus management put into effect a curtailed schedule of service on some routes, announcing the action was due to increased costs of a wage increase granted the bus operators and shopmen.

The service was ordered resumed after agreement between union workers and management on the terms of a new two-year contract, retroactive and new pay increases and a third vacation week for workers with 20 or more years service.

Drivers and shopmen of the Amalgamated Assn. of Motor Coach Employees local struck against Williamsport Bus Co. on Sept. 30, following a breakdown in contract negotiations.

The company supplies the city's only means of public transportation.

CONTINUE BADGE WORK
The Girl Scouts of Troop 45 continued work on their outdoor badge at their meeting on Wednesday after school. The girls left from the engine house and hiked to the home of their leader, Mrs. John Kump, near town, where they were taught to build and light a fire under the supervision of Mrs. Kump and Mrs. John H. Flickinger. The group sang camp songs while hiking. A game period followed the badge work, and then they made "sommers" for a snack, with the ingredients being provided by the leaders. Troop 45 will meet again next Wednesday at 3:30 p.m.

Auxiliary and all others who assisted in any way with the 1957 carnival held in August by the company are invited to attend a party on Saturday evening in the engine house along the Littlestown-Taneytown Rd., starting at 8 p.m.

ANNOUNCEMENTS

Card of Thanks
WHITE: We wish to express our thanks and appreciation to the entire staff and personnel of the Annie M. Warner Hospital for the care and kindness shown Mrs. White during her lengthy illness and stay there. Many thanks also to the friends who brought her much cheer with their thoughtful expressions of concern through flowers, cards and letters. Also for the use of the ambulance and the services of the drivers. Words cannot express our gratitude.

MR. & MRS. E. H. WHITE & FAMILY

SHRYOCK: We wish to express our sincere thanks to our relatives, neighbors and friends for their many acts of kindness shown during our recent bereavement. Also for the many flowers.

LUTHER SHRYOCK
AND FAMILY

In Memoriam

YOHE: In sad but loving memory of our dear parents, William J. and Charlotte B. Yohe, who passed away August 18, 1936, and November 8, 1946:

Though your faces we see now only in dreams or memory
Their tender smiles are loved as used to be.

Though we cannot see the ones from whom we had to part
Their memory, like a melody, still lives within our hearts.

Angels watch them up above,
Please, God, just let them know that we down here do not forget.
Their vacant places there is no one to fill down here.

We mourn but not in vain.
For up in heaven we will meet again.
Sadly missed by daughters.

REPORT RUSSIA WILL FIRE ITS 3RD SATELLITE

WASHINGTON (AP)—The 40th anniversary of the Bolshevik Revolution passed without any sign that the Russians had attempted any special new scientific feats to mark the occasion.

However, reports circulated in Moscow last night that the Russians may try to parachute back to earth the little dog, Laika, which since Sunday has been spinning around the earth in the second Soviet satellite.

Other reports reaching London today from usually reliable sources said Russia soon will fire aloft a third satellite twice as big as the half-ton Sputnik II and with another live dog aboard. These reports said the third satellite will be aimed at penetrating farther into space than the two Sputniks now hurtling around the earth.

Scientists On Alert

Western scientists have been on the alert for what some of them believed might be a new Russian space venture to dramatize the anniversary yesterday of the Bolshevik Revolution.

There had been some speculation the Russians might try to send a rocket to the moon.

In Cambridge, Mass., officials of the Smithsonian Astrophysical Observatory said last night they had received no word from any observers indicating any unusual activity on the moon yesterday. Dr. J. Allen Hynek, associate director, said there have been "rumors only" that the Russians would try to fire a rocket to the moon.

Delay Moon Rocket

Moscow sources said the launching of a moon rocket was envisaged by the Soviets, but not in the immediate future. One informant said "we have the technical capability of launching such

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—It took two Sputniks and their stunning effect on American thinking to drive the Eisenhower administration into a rush to keep abreast—or perhaps get ahead—of the Russians.

In his nationwide talk last night President Eisenhower outlined a program to speed work in missiles, some secret items, and scientific and technological developments

a rocket, but it is not part of our immediate program.

Meanwhile, Smithsonian Observatory officials backed away last night from an earlier comment that the 1,120-pound Sputnik III may have come apart. That earlier statement was made on the basis of unconfirmed reports from various sources.

Hynek and Dr. Fred L. Whipple, the observatory's director, said last night they don't think Sputnik II is breaking up. Hynek said he watched the dog-carrying satellite yesterday morning.

Want To Get Dog

Hynek and Whipple agreed it would be quite an accomplishment to get Laika, the satellite's female dog passenger, back to earth.

The second Soviet satellite is rocketing through space at about 18,000 miles an hour. Its orbit carries it out as far as 1,056 miles and within nearly 100 miles of the earth. Even if the dog was ejected at that closest point, a safe parachute drop to earth would be a startling achievement.

There was no fresh word on Laika's condition. Moscow radio reported yesterday radio signals were being received with information on the "main physiological functions of the animal."

for national defense.

The question running around Washington before the broadcast was: will he talk in generalities, as he has so many times, or will he get down to cases and offer some action?

Why Not Sooner?

He proposed action. Unless he had done so, there probably would have been broad national disappointment and protest.

He said some "sternly demanding facts" require "new action." This immediately raises a question which may prove embarrassing to the administration. Why wasn't this action taken until after the Sputniks spun across the sky?

The answer may come from a Senate investigation later this month.

There was no indication Eisenhower planned either the talk or the action until after Oct. 4 when the Russians shot their first Sputnik aloft and a badly disturbed and bewildered country began to ask: How come the Russians could do this first?

Then Eisenhower announced he would talk next week, one of several talks. But last Sunday the Russians sent their second and much bigger earth satellite skyward. Eisenhower decided to talk a week sooner.

The Sputniks circling the earth were spectacular testimony to Russian progress in science and technology. But it was the implication behind the Sputniks that was sinister and dangerous.

To get the Sputniks aloft meant perhaps the Russians had developed a special rocket fuel and an intercontinental missile, which, when equipped with a hydrogen warhead, could blackmail the rest of the world.

The talk revealed the administration had not been doing all it could to push missile and other developments. Eisenhower said he had been getting the best scientific advice on an informal basis.

His program now calls for marshaling that advice and at the same time sweeping aside any blocks in the road, such as Army-Navy-Air Force squabbles over which service should be doing what.

Bing Crosby Made "Honorary" Texan

WEST COLUMBIA, Tex. (AP)—Crooner Bing Crosby and his bride, actress Kathy Grant, were back for a weekend visit in her old home town today.

They arrived late yesterday, and Crosby promptly became an adopted Texan as he stepped off a plane at Houston, 71 miles north-east of here. Notice that he now is an honorary citizen of the state was delivered by a representative of Gov. Price Daniel.

FLU, INJURIES HURT INDIANA

BLOOMINGTON, Ind. (AP)—Indiana's hard luck Hoosiers, bedeviled by dropouts and flu, were down to 39 healthy athletes today as they awaited Cincinnati's key-ed up Bearcats.

Four key members of the squad—potential starters tackle Mike Rabold and tailback Norm Macklin, and second-stringers center Arnie Stevens and wingback Tom Campbell—were in the hospital with flu.

Coach Bob Hicks hoped it was just a two-day variety but couldn't say whether they would be able to play tomorrow.

Injuries were hurting, too. Left end Delmar Gales was out of action with a wrist injury.

Three Players Leave

Departure of three more players was disclosed. The Hoosiers now have lost six varsity men and freshmen, two by disciplinary action and the others by withdrawal from school.

The latest departures were tackle Bruce Coligan, sophomore stringer and center Harry Hartman, a freshman, both from Uniontown, Pa., and junior tailback Willie Jones of Chicago.

Sophomore fullback, John Meehan of Uniontown, Pa., the team's leading ground gainer, dropped out this week, and tackle Ray Slampyak of East Chicago, Ind., quit earlier in the season.

FILCHOCK IS FIRED

REGINA (AP)—The last-place Saskatchewan Roughriders of the Western Interprovincial Football Union announced today they have fired Frank Filchock, their coach since 1953.

Filchock, a native of Crucible, Pa., came west from Montreal in 1951 as quarterback and assistant coach of the Edmonton Eskimos and moved to the head coaching position two years later, replacing Annis Stukus.

MCKELDIN SAYS U. S. FUMBLING IN SCIENCE FIELD

HARRISBURG (AP)—Gov. Theodore R. McKeldin of Maryland says it is glaringly plain that America has fumbled in certain fields of science, "largely on account of too much interference by people who didn't know what they were doing."

"And if some of those people happen to be members of Congress the statement still stands," McKeldin asserted last night.

"It stands if some others happen to be high-ranking officers of the armed forces who are so anxious to grab all credit for their own branch that they hamper the work of other branches."

"Being a senator, or even being a general or admiral doesn't automatically endow a man with understanding of what some worker in an obscure field of basic science is doing," he said.

Addreses Shoemen

McKeldin spoke to a convention of the Central Pennsylvania Shoe and Leather Assn.

Maryland's Republican governor, who nominated President Eisenhower at the 1952 National GOP Convention, said the President "has been constantly hampered and harassed by those—not all of them, I regret to say, in the opposition party—who have resented it whenever he has told them that the world has changed and we must therefore devise new methods to meet new conditions."

"Well, maybe the portents the skies will at last convince some of them that the President knew what he was talking about; and if that should happen it could be that the Russians have unwittingly and unwillingly done us a favor," McKeldin said.
